Insufficient Funds and Overdrafts

Your Account is overdrawn if it has a negative balance because the available funds in your Account are less than the amount of the Item(s) presented for payment. The Account balance that we use to determine if your Account is overdrawn includes all Items (including bank fees and service charges) that are posted to your Account on the same Business Day whether the Items are paid or returned. Refer to Section 2.C of the Agreement for information on when Items post to your Account.

At our discretion, we may pay or return the following Items that overdraw this Account: Checks, automatic bill payments and other transactions made using this Account number. We will decline ATM and everyday debit Card transactions that may overdraw this Account unless you select the Overdraft Program for ATM and Everyday Debit Card Transactions described below. The following are fees that may be charged if you do not have sufficient available funds in your Account.

Overdraft Fee	\$36 per Item (No more than four Overdraft Fees and/or Item Returned Fees will be charged per Business Day)	You will be charged an Overdraft Fee for each Item we pay (regardless of the amount of the Item) when your Account is overdrawn more than \$5 after all Items are posted to the Account. An Overdraft Fee is not charged if your Account is overdrawn by \$5 or less after all the Items are posted to the Account. This fee does not apply to ATM and everyday debit Card transactions unless you have authorized us to pay these types of transactions. We do not charge an Overdraft Fee for bank fees and service charges that overdraw your Account.
Consecutive Day Overdraft Fee	\$7 per Business Day (Maximum 10 for each occasion your Account remains overdrawn)	You will be charged a Consecutive Day Overdraft Fee for each Business Day your Account is overdrawn in any amount after your Account is overdrawn for three consecutive Business Days. You will be charged this fee even if your Account is only overdrawn due to bank fees and service charges.
Item Returned Fee (NSF)	\$36 per Item (No more than four Overdraft Fees and/or Item Returned Fees will be charged per Business Day)	You will be charged an Item Returned Fee (NSF) each time we return an Item unpaid because your Account does not have sufficient available funds to pay the Item. This fee does not apply to declined ATM and everyday debit Card transactions.

Learn more at bmoharris.com/overdraft.*

No overdraft coverage (Default)	\$0	If you do not opt-in, BMO Harris will automatically decline any ATM and everyday debit Card transaction that would overdraw this Account. Opt-in (Overdraft Program for ATM and Everyday Debit Card Transactions)	\$36 Overdraft Fee per Item; No more than four Overdraft Fees and/or Item Returned Fees will be charged per Business Day \$7 Consecutive Day Overdraft Fee per Business Day; maximum 10 for each occasion your Account remains overdrawn	By opting into this program, you authorize us to use our discretion to pay ATM and everyday debit Card transactions that would overdraw this Account. If you do opt-in, and we use our discretion to pay those transactions, the Overdraft Fee and Consecutive Day Overdraft Fee, described above, will apply to the transactions. You can opt-in to the Overdraft Program for ATM and Everyday Debit Card Transactions — or revoke your election — by speaking with your BMO Harris Banker or by logging in to BMO Harris Online Banking® and modifying the Overdraft Program preferences on your Account.
