

Business Credit Card Online Access

Managing Your Credit Card

Important Changes to your Business Credit Card Online Access!

On November 23, 2020, through January 15, 2021,
Business Credit Card Online Access will be moving to a new digital platform.¹

The new Credit Card Online platform will continue to offer key functionalities and enhancements to:

-  Review transactions to verify account activity.
-  View statements AND automatically be notified by email when your statement is ready.
-  Make payments and manage alerts.²

PLUS

Registration with the Company Account Number, found on the billing statement, will provide Administrator Access to:

-  Quickly maintain user information through the Administration tab.
-  Register additional cardholders for online account access.
-  Reset passwords and assist users who have been locked out of their account.

AND

-  Any new cards issued on the account will be automatically linked to the Administrator profile.

Here's how you can prepare for what's next:

1. Log into the current platform to make sure you have any statements with closing date prior to October 2019 downloaded or saved.
2. If you currently are set up to receive electronic-only statements, if not registered in the new platform by December, you will begin to receive statements by mail. Once registered, you can manage your statement delivery options.

As we get closer to November 23, 2020, check back here for more helpful information on how to take full advantage of these enhancements!

Maximize your account access and control with Credit Card Monitor & Mobile Access Text Commands.

BMO Harris Bank Credit Card Monitor

Stay on top of your business credit card accounts and easily monitor and manage account activity. It's simple, secure and convenient.
