

How to enroll your BMO Harris credit card on the updated online credit card site

After **March 6, 2017** you can access your account at **bmoharriscreditcards.com**

1. From **bmoharriscreditcards.com**, you will need to select **Enroll** based on whether you have a Consumer or Small Business card.
2. On the log in page, you will need to enroll your account by clicking **Enroll your account today**.

Note: If you already have a consumer card enrolled on this site, you can add your other consumer card to your existing online profile. Follow these easy steps:

1. Login using your existing Username and Password
2. After you have successfully logged in, select your name in the upper right corner and click **Manage Accounts**
3. On the Manage Accounts page, click **Enroll Another Account**
4. Enter your account verification information for the card you want to add, and click **Verify Account**.

You will then be asked to enter your account verification information.
