Insufficient Funds and Overdrafts

Your Account is overdrawn if it has a negative balance because the available funds in your Account are less than the amount of the Item(s) presented for payment. The Account balance that we use to determine if your Account is overdrawn includes all Items (including bank fees and service charges) that are posted to your Account on the same Business Day whether the Items are paid or returned. Refer to Section 2.C of the Agreement for information on when Items post to your Account.

We will return as unpaid the following Items that overdraw this Account: Checks, automatic bill payments and other transactions made using this Account number. We will decline ATM and everyday debit Card transactions that may overdraw this Account. If we return an Item unpaid, you may be charged the fee described below. There are some Items we are unable to return. If we are unable to return an Item that overdraws your Account, we will use our discretion to pay it and you will not be charged a fee.

<p>Item Returned Fee (NSF)</p>	<p>\$36 per Item (Maximum four per Business Day)</p>	<p>You will be charged an Item Returned Fee (NSF) each time we return an Item unpaid because your Account does not have sufficient available funds to pay the Item.
