1. INTRODUCTION

The Deposit Account Agreement applies to each personal and business Account, Card and CD you have at BMO Harris Bank N.A., except for commercial accounts governed by the Commercial Account Agreement. Products and services described in this Agreement may not be available to all customers in all locations. Except for the names of agreements, products, services, fees, and proper nouns, capitalized terms used in this Agreement are defined in the Glossary, which can be found in Section I of this BMO Harris Handbook. The Glossary is incorporated in its entirety into this Agreement by reference.

You accept and agree to the terms of this Agreement when you sign our Account opening forms or signature card, or otherwise maintain an Account or conduct a transaction with us. We recommend that you retain this Agreement for future reference. Your Account and this Agreement are governed by Applicable Law as defined in the Glossary.

If there is a conflict between:

- (a) the provisions of (i) any disclosure or agreement for another banking product or service, the Deposit Account Disclosure or BMO Harris Bank Business Service Fee Schedule and (ii) this Agreement, the disclosure or agreement for the particular banking product or service, the Deposit Account Disclosure or the BMO Harris Bank Business Service Fee Schedule will be controlling to the extent of the conflict;
- (b) the provisions of any written document, agreement schedule or disclosure we have provided and something said by one of our representatives, the written document will be controlling.

2. BMO HARRIS CHECKING ACCOUNTS

A. Withdrawals

Based on the features of your Account, you may withdraw funds from your Account in various ways including but not limited to:

- You can write a Check.
- You can make a withdrawal at a BMO Harris branch.
- You can arrange to make automatic transfers or payments from your Account to other Accounts or to third parties (such as insurance or mortgage payments).
- You can authorize a merchant or other person to initiate an electronic withdrawal from your Account or to present a preauthorized draft which does not include your signature.
- If you have a Card, you may withdraw funds from your Account through an ATM that accepts Cards, or you may purchase goods and services (or withdraw funds) at merchants that accept Cards. See Section 9 of this Agreement for terms and conditions that apply to the use of Cards.

B. Insufficient Funds and Overdrafts

We have no obligation to pay any Item unless you have sufficient available funds in your Account when the Item is presented. Items will be paid based on the order of posting identified in Section 2.C below. If an Item is presented and you do not have sufficient available funds in your Account, we may at our option elect to return the Item unpaid and charge an Item Returned Fee or pay the Item and charge an Overdraft Fee. You will not be charged an Overdraft Fee if the amount of the Overdraft is less than the minimum amount disclosed in the Deposit Account Disclosure or the BMO Harris Bank Business Service Fee Schedule. If we pay the Item, you will have an Overdraft on your Account. We are not required to pay Items when there are insufficient available funds in your Account, even if we have done so in the past. Whether we pay an Item when there are insufficient available funds in your Account is entirely at our discretion. We will not pay Items that would overdraw your Account if you have an overdraft protection line of credit linked to your Account with insufficient available credit to pay the Item.

Beginning on the fourth (4th) consecutive Business Day your Account is overdrawn, we will also charge you a Consecutive Day Overdraft Fee for each Business Day your Account is overdrawn. We will charge you up to ten (10) Consecutive Day Overdraft Fees for each occasion your Account remains overdrawn. A Consecutive Day Overdraft Fee is charged in addition to the Overdraft Fee. Overdraft Fees, Item Returned Fees and Consecutive Day Overdraft Fees are disclosed in the Deposit Account Disclosure or the BMO Harris Bank Business Service Fee Schedule. You agree to repay immediately any amount you owe us including fees and the amount of your Overdraft. If you have a joint Account, all joint Account Owners will be jointly and severally liable for any Overdraft Fees, Item Returned Fees, Consecutive Day Overdraft Fees, and the amount of the Overdraft whether or not a particular Account Owner initiated the transaction that resulted in the Overdraft. Fees and service charges will overdraw your Account if your Account has insufficient funds to pay them and you will incur Consecutive Day Overdraft Fees if you do not restore your Account with sufficient available funds in a timely manner, as described above.

If you have a personal Account and opt-in to the Overdraft Program for ATM and everyday (non-recurring, single) debit Card transactions, we will pay ATM and everyday debit Card transactions that overdraw your personal Account at our discretion. If you agree to this service, we will charge an Overdraft Fee if we pay an ATM or everyday debit Card transaction that overdraws your personal Account. If you have not agreed to this service, ATM and everyday debit Card transactions that exceed the available funds in your personal Account will be declined, and we will not charge either an Item Returned Fee or an Overdraft Fee. In certain circumstances, regardless of whether you opt-in or agree to the Overdraft Program for ATM and everyday debit Card transactions, we will pay an ATM or everyday debit Card transaction that overdraws your personal Account. If you have opted in to the Overdraft Program for ATM and everyday debit Card transactions, under those circumstances, you will be charged an Overdraft Fee. If you have not opted in to the Overdraft Program for ATM and everyday debit Card transactions, you will not be charged an Overdraft Fee.

Please speak with your BMO Harris Banker to make arrangements to authorize us to make discretionary payment of ATM and everyday debit Card transactions that overdraw your personal Account.

For business Accounts, we may, at our option, decline or pay ATM and everyday debit Card transactions that exceed the available funds in your Account and, if we pay the Item, charge you an Overdraft Fee.

Refer to your Deposit Account Disclosure for certain limitations on the Overdraft Program.

You authorize us to apply any deposit to your Account, including, for example, any federal or state benefit payments, against any Overdraft Fees, Item Returned Fees, Consecutive Day Overdraft Fees, and the amount of the Overdraft. You must change your Direct Deposit instructions by contacting the benefits payor if you do not want your federal and state benefits applied in this way. Please contact your benefits payor and follow its procedures to change your Direct Deposit instructions.

Availability of funds to pay Items presented and for other withdrawals is described in the Funds Availability Policy for Deposit Accounts (see Section 8 below). In addition, we will subtract from your Account any Card transactions based on the authorization request provided by the card association, any hold we have placed on your Account to comply with court orders or other legal requirements, and any other pending transactions such as ACH transactions. This will reduce your available funds to pay Items. We will determine the amount of available funds to pay an Item only once each Business Day.

We offer additional overdraft services for qualified customers, including Overdraft Funding service, which may automatically transfer funds from a linked Account (see Sections III and IV of this Handbook) or an overdraft protection line of credit.

Our online and mobile banking services and BMO Harris Bank by PhoneSM may help you manage your Account by keeping you informed of available funds in your Account. Enroll at www.bmoharris.com for online banking and mobile banking services. Talk to your BMO Harris Banker for more information on our online and mobile services.

C. Debiting Your Account; Order of Posting

The order in which you make withdrawals from your Account will not necessarily be the same as the order in which we post these transactions to your Account, and this posting order will affect whether you incur Overdraft Fees. You have no right to tell us the order to use when posting Items to your Account.

Your Account may be debited on the day an Item is presented by any means, including, for example, electronically, or at an earlier time based on notification we receive that an Item drawn on your Account has been presented for payment or collection.

CURRENT ORDER OF POSTING

Each Business Day we ordinarily credit deposits to your Account first and then we will pay your Items as described below, regardless of the order in which they occur or we receive them. Fees and charges may be processed and posted to your Account at any time. When deciding whether to pay an Item, we establish different categories for different types of Items. For example, we may treat ATM withdrawals and POS purchases as one category, and Checks and wire transfers as other categories. A category may include more than one type of Item. We pay Items from highest to lowest dollar amount within each category each Business Day, unless a particular order is either required or prohibited by Applicable Law. We reserve the right to change this payment order without notice to you.

If you do not have sufficient available funds in your Account to pay the Items, our application of the highest to lowest payment order will result in more Overdrafts and/or returned Items and more Overdraft Fees, Item Returned Fees and/or Consecutive Day Overdraft Fees than would have resulted if we had used a lowest to highest payment order. We may choose our payment order regardless of whether additional fees may result.

EXAMPLE: During a single Business Day, you deposit \$500 worth of Checks, make two POS purchases with your Debit Card (a \$2 cup of coffee at 9:00 a.m. and \$50 in groceries at 10:00 a.m.), withdraw \$100 using your ATM Card at 11:00 a.m., have \$235 automatically transferred from one of your Accounts to pay a regularly scheduled loan payment you have with us, and a \$50 Check that you wrote several weeks ago is presented for payment. These transactions will be posted to your Account in the following order: the \$500 in deposits; the \$100 ATM withdrawal; the \$50 in groceries purchased with your Debit Card; the \$2 cup of coffee purchased with your Debit Card; the \$235 loan payment; and the \$50 Check.

NEW ORDER OF POSTING

Beginning on December 4, 2012, we are changing the order in which Items are posted to your Account. On that date and going forward, Items will be posted to your Account as follows:

At the end of each Business Day, we will process and post transactions to your Account in the following order, by category and within each category:

1. All credits – Any deposits and other credits we receive, prior to the identified cutoff times, will be posted to your Account.
2. ATM withdrawals and “non-returnable” debits –
 - a) ATM withdrawals presented to us with a date and time stamp will be processed in order from the earliest transaction to the most recent.
 - b) ATM withdrawals presented to us without a date and time stamp will be processed based on the amount of the transaction, from lowest to highest.
 - c) Items that cannot be returned or recalled, including, for example, outgoing wires, internal transfers to other Accounts with us, cash withdrawals, and Checks which were cashed by us, will be processed based on the amount of the transaction, from lowest to highest.
3. POS transactions –
 - a) Card transactions presented to us with an authorization date and time stamp will be processed in order from the earliest transaction to the most recent.
 - b) Card transactions presented to us without an authorization date and time stamp will be processed based on the amount of the transaction, from lowest to highest.
4. ACH transactions – All ACH transactions will be processed based on the amount of the transaction from lowest to highest. If you use a Check which is electronically converted by the payee, it will be processed as an ACH transaction.
5. Checks – All Check transactions will be processed based on the number of the Check, from lowest to highest, regardless of the date on which the Check was originally written or the amount of the Check. This includes Checks created through a bill payment service, which may have a number that is not in sequence with other Checks you write from your checkbook. If a Check number is not available, all numbered Checks will be processed first, any remaining Checks will be processed based on the amount of the Check, from lowest to highest.
6. Bank generated transactions, such as fees that are owed to us, will be processed based on the amount of the Item, from lowest to highest.

EXAMPLE: During a single Business Day, you deposit \$500 worth of Checks, make two POS purchases with your Debit Card (a \$2 cup of coffee at 9:00 a.m. and \$50 in groceries at 10:00 a.m.), withdraw \$100 using your ATM Card at 11:00 a.m., have \$235 automatically transferred from one of your Accounts to pay a regularly scheduled loan payment you have with us, and a \$50 Check that you wrote several weeks ago is presented for payment. These transactions will be posted to your Account in the following order: the \$500 in deposits; the \$100 ATM withdrawal; the \$235 internal loan payment; the \$2 cup of coffee purchased with your Debit Card; the \$50 in groceries purchased with your Debit Card; and the \$50 Check.

The description of the Items above is intended to be representative of the most common types of transactions within each category. Other Items may be debited from your Account even though not specifically listed above.

D. Check Safekeeping

Checking Accounts require "Check Safekeeping." With Check Safekeeping, we will send or otherwise make available to you (i) Imaged Statements or (ii) information that identifies your canceled Checks. With Check Safekeeping, your canceled Checks will not be returned to you with your statement, and the front and back of all Checks processed against your Account will be imaged and retained by us for seven (7) years. You agree that the original Check may be destroyed after a reasonable period of time as determined by us. There is no charge for storage of your Check images; however, you agree to pay the fees associated with receipt of photocopies of any canceled Check images you request, as shown in the Deposit Account Disclosure or the BMO Harris Bank Business Service Fee Schedule. You agree that by maintaining the original Check or a copy on your behalf, we have otherwise made the Check available to you in a reasonable manner. If for any reason we are unable to return a copy of your Check, we may be liable for your Loss but you agree that we will not be liable for more than the face amount of the Check. Some merchants, utilities and other billers may elect to convert your Check into an electronic funds transfer and we will receive electronic information (rather than Checks) for payment from other financial institutions. In such case, you will receive information regarding your transaction on your statement but will not receive your Check or an image of the Check.

E. Use of Signature Devices

You agree not to utilize a Signature Device when issuing a Check unless specifically authorized by a separate agreement with us which includes a specimen of the Signature Device signature. We may refuse to honor Checks drawn by means of a Signature Device without such agreement even if we have previously honored Checks with a Signature Device. Alternatively, at our discretion, we may honor such Checks without such an agreement if the Signature Device signature(s) resemble the Signature Device signature(s) appearing on any Check that was issued previously and that you did not report to us as unauthorized. In doing so, we are hereby authorized to rely upon and to accept as genuine such Signature Device signature that you have ratified by prior use without any duty for us to determine the genuineness thereof or whether or not the affixing of such Signature Device signature to a Check has been authorized by you or the person whose name is so affixed.

If you utilize a Signature Device, you have the sole responsibility for maintaining the security of any such Signature Device and you bear the entire risk of unauthorized use of any such Signature Device that reasonably resembles the signature you use whether or not you are negligent. You also recognize that the treatment of each Check presented against your Account through the use of such Signature Device will be the same as if such Check was signed by you. You further agree to indemnify and hold us harmless from and against any and all Losses we may incur as a result

of the unlawful use, unauthorized use or misuse by any person of such Signature Device or of any Signature Device signature that reasonably resembles the signature you use.

F. Preauthorized Drafts and Electronic Debits

If you give or otherwise make available your Account number or a sample of your Check or write a Check to a third party, we may treat such disclosure or issuance as your authorization to that third party to issue written or electronic drafts or other debits against your Account. We will not be liable to you for the payment of any such Items, unless you give us notice that the Items are not authorized before they are presented to us for payment.

If a third party elects to convert the particular Check you issued to them to an electronic funds transfer you will not receive an image of the cancelled Check with your statement, since we did not receive the Check as further described in Section 2.D above.

G. Postdated and Stale Checks

We reserve the right to pay or not pay any Check (i) before the date you have written on it (a postdated Check) or (ii) that is more than six (6) months old (a stale Check). If you do not want us to pay a postdated or stale Check, you must provide us with a stop payment order.

H. Stopping Payment on a Check

If you do not want us to pay a Check you have written, you can order us to stop payment. However, you cannot stop payment if we have already certified, paid, or otherwise become responsible for the Check. For example, you cannot stop payment on a Check that we have already cashed because we became responsible for that transaction when we cashed the Check.

You can notify us in person, by BMO Harris Bank by PhoneSM (1-888-340-2265), or through our online banking services. You can also notify us by mail at BMO Harris Bank, Attn.: Support, P.O. Box 94033, Palatine, IL 60094-4033. If you call or tell us in person, we may require you to put your stop payment request in writing which we must receive within fourteen (14) days after your call or visit. If we advise you that written confirmation is necessary when you call or visit us and we do not receive your written confirmation within fourteen (14) days, your oral stop payment order will expire and no longer be effective. Your stop payment order must include your Account number, the number and date of the Check, the name of the payee, and the amount of the Check. We must receive your stop payment order before our stop payment cut-off time, which is 10:00 a.m. Central Time on the next Business Day after the Check is presented to us for payment. If you place a stop payment order on a Check through online banking, you must complete the information required. Cutoff times for stop payment orders placed through online banking will be shown when you place your stop payment.

We will accept a stop payment order from any Account Owner or Authorized Signer regardless of who signed the Check. Your stop payment order will be effective for six (6) months. If you want the stop payment order to continue after six (6) months, you must renew it. We will charge you a stop payment fee as shown in the Deposit Account Disclosure or the BMO Harris Bank Business Service Fee Schedule.

Notwithstanding anything in this Section 2.H, different terms may apply to stop payment requests on certain payments made through online banking. Please refer to your online banking agreement for more details.

When placing a stop payment order, you agree to defend, indemnify and hold us harmless for all expenses, costs and attorney fees incurred by us due to our refusal to pay the Check.

I. Cashing Your Checks for Non-Customers

If a Check drawn on your Account is presented for payment by a Non-BMO Harris Customer, you agree that we may require that person to pay a Check cashing fee and provide identification satisfactory to us as a condition for cashing a Check drawn on your Account. You also agree that we may refuse to pay any such Check if the payee refuses to furnish such identification or pay the fee.

We may limit the Bank locations at which someone who is not a customer of ours may cash a Check written on your Account. We may select and change these locations at any time without notice to you, and you agree that we may refuse to pay a Check presented by such a person at any other Bank location.

You also agree that we may refuse to cash or otherwise honor any Check exceeding three thousand dollars (\$3,000) that is presented to us over the counter by any person, even if the Check is properly payable and that person can verify his or her identity as the holder of such Check. In such cases, the holder of the Check is expected to deposit the Check with his or her bank and have the Check presented to BMO Harris through regular banking channels.

You also agree that our refusal to pay a Check based on the reasons described above will not be considered wrongful dishonor of the Check by us.

J. Sub-Accounts

This Section applies to all Checking Accounts (excluding money market Checking Accounts).

Each Checking Account may consist of two sub-Accounts: a transaction sub-Account to which all financial transactions are posted, and a Savings sub-Account into which available balances above preset levels are transferred daily. Funds will be transferred to your transaction sub-Account to meet your transactional needs; however, all balances in the Savings sub-Account will be transferred to the transaction sub-Account with the sixth (6th) transfer in any month or monthly statement period. Your funds in the Savings sub-Account can be accessed only through your transaction sub-Account. Both sub-Accounts are treated as a single Account for purposes of (i) calculating fees, service charges, minimum balance and, if an interest-bearing Checking Account, calculating interest, (ii) reporting your available balance at any time, such as at ATMs or through BMO Harris Bank by PhoneSM or our mobile or online banking services, and (iii) providing you with a single statement each month that shows your balances and all activity during the statement period. The preset level is set by us and it may be changed at any time at our discretion.

3. BMO HARRIS SAVINGS AND CERTIFICATE OF DEPOSIT (TIME DEPOSIT) ACCOUNTS

Please refer to the Deposit Account Disclosure or BMO Harris Bank Business Service Fee Schedule for minimum deposit requirements, interest computation methods and fees, and maturity conditions and early withdrawal penalties for CDs.

A. Savings Accounts

We offer various Savings Accounts. Please see your Deposit Account Disclosure or BMO Harris Bank Business Service Fee Schedule for more information.

For personal Accounts, you will receive a regular quarterly statement regardless of transaction activity. However, you will receive a monthly statement if you have had an electronic funds transfer or if the Account is a Linked Plus Account.

B. Certificate of Deposit (Time Deposit) Accounts

By opening your CD or IRA CD, you have agreed to keep funds on deposit until the stated maturity date. For single maturity CDs, your CD will not automatically renew on the maturity date. No interest is earned or paid after the maturity date.

1. Maturity, Renewal and Grace Period

Unless you have instructed us or we have disclosed to you otherwise, your CD will automatically renew at the maturity date to another CD of an equal term at the then current interest rate for that term and current balance. You will have a grace period of ten (10) calendar days after the maturity date to withdraw the funds without being charged an early withdrawal penalty as described in the Deposit Account Disclosure or BMO Harris Bank Business Service Fee Schedule, as applicable. If your CD is redeemed during the ten-day (10-day) grace period, it will not earn interest after the maturity date.

2. Early Withdrawal Policy

We reserve the right to permit withdrawals of principal only upon maturity. If we permit you to make an early withdrawal of principal, you will be charged an early withdrawal penalty, regardless of the length of time the funds withdrawn have remained in the Account. The early withdrawal penalty applicable to your CD is explained in the Deposit Account Disclosure or the BMO Harris Bank Business Service Fee Schedule.

4. SPECIAL PROVISIONS RELATED TO CERTAIN TYPES OF ACCOUNT OWNERSHIP

A. Individual Accounts

If you establish an individual Account you are the sole owner of the Account and only you have the right to withdraw from the Account. In the event of your death, you agree that we have the right to honor Checks or other Items drawn against your Account until ten (10) days after we receive actual written notice of your death or any longer period as permitted under Applicable Law. We may restrict access to your Account upon notice of your death until the documentation requested by us is provided by the executor, administrator or other representative of your estate or person. Your individual Account does not create any additional ownership rights or survivorship rights nor does the Account create or extinguish any community or marital property rights.

B. Joint Accounts

If two (2) or more persons select a joint Account on the application or signature card for an Account, the signers agree that they own that Account as joint tenants with rights of survivorship. This means we may follow instructions of and pay out all or part of the funds in the Account to, or upon the order of, one Account Owner. Also, if an Account Owner dies, the funds remaining in the Account will be payable to the surviving Account Owner(s). You agree to notify us of the death of any joint Account Owner. At our option, we may request certain documents upon notification of the death of any of the joint Account Owners before the Account titling can be updated or the funds in the Account can be released. Each co-Account Owner acts as the agent of each other co-Account Owner. Each co-Account Owner authorizes the other co-Account Owner to operate the Account without the consent or approval of any other co-Account Owner. We may act on the instruction of any co-Account Owner without liability to any other co-Account Owner. We also may act on the instruction of the attorney-

in-fact for any co-Account Owner without prior approval from or notice to any other co-Account Owner. Each co-Account Owner owns the sums on deposit in the Account, regardless of the amount of his or her contribution. When a husband and wife select a joint tenancy Account, they will not necessarily create a community property Account. Consult your legal advisor regarding creation of a community property Account.

This type of Account ownership does not create a tenancy by the entirety. As described above, all joint Accounts will be presumed to be owned as joint tenants with rights of survivorship, unless: (a) Applicable Law does not permit such a presumption, or (b) we otherwise agree with you in writing that the Account is owned in some other capacity. As to any Account to which Florida or Missouri law applies, unless specifically elected in the signature card agreement, in no event will any joint Account established with us by spouses be deemed to be owned as tenants by the entirety but will only be owned as joint tenants with rights of survivorship.

C. Payable on Death Accounts, including Totten Trust Accounts

If you open an Account as trustee for a named beneficiary, without other formal trust papers, or if you make an express "Payable on Death" or so-called POD designation of beneficiaries (in states where that designation is applicable), the Account will be treated as a POD Account. During your lifetime, a POD Account belongs to you. You may make deposits and withdrawals or close the Account at your discretion, and you may change the beneficiary. After the death of the last surviving Account Owner, the balance in the Account will be paid to the beneficiary, or to his or her legal representative if the beneficiary is a minor. The POD Account is subject to Applicable Law and to the provisions of other documents covering the Account. The trustee, or any trustee if there is more than one, may change the designated beneficiary(ies) without the consent of any other trustee or the beneficiary(ies). Between trustees, where there is more than one, the Account is considered a joint Account with right of survivorship and is subject to the provisions referred to above for joint Accounts. The beneficiary must survive all trustees to acquire an interest in the Account. If none of the beneficiaries survive, the balance in the Account will be paid to the estate of the last surviving Account Owner. A beneficiary's right to funds is subject to our security interest and right of setoff. A beneficiary is not required to survive the death of an Account Owner by any specified period of time.

D. Custodial Accounts for Minors

When you establish an Account under the Uniform Transfers to Minors Act as enacted in the state in which you reside (the "Act") and make deposits as custodian for the benefit of a minor, all deposits to that Account will be governed by the Act. Deposits may be made to an Account controlled by an adult acting as custodian for a minor. Once a deposit is made to the Account, that deposit and the interest it earns belong to the minor. Until the child reaches the age of majority as defined in the Act, control of the Account generally remains in the hands of the custodian. Tax liability generally will be in the name of the minor, and the custodian must therefore include the minor's SSN when the Account is opened. Only one adult at a time may serve as custodian for a minor Account. A successor custodian may be designated at the time of Account opening on the signature card, or at a later time. Consult your tax advisor concerning this type of Account.

If the Applicable Law of your state allows for the establishment of Accounts for minors other than under the Act, that Account is not subject to the Act and we may allow control over the Account to the extent permissible under the Applicable Law.

E. Marital Accounts in Wisconsin

A Marital Account is an Account established on or after January 1, 1986, in Wisconsin without the right of survivorship by two parties who claim to be husband and wife, which is payable on request to either or both of the parties and which is designated as a Marital Account. A Marital Account belongs, during the lifetime of both parties, to the parties without regard to the proportion of their respective contributions to the sums on deposit or to the number of signatures required for payment. A party to a Marital Account may name one or more POD for that party's interest. A Marital Account is owned as a Marital Account by the parties named thereon. Upon the death of either of them, the survivor owns 50% of the sums on deposit. A Marital Account with POD is owned as a Marital Account by the named parties and, upon the death of either of them, 50% of the sums on deposit are owned by the survivor and 50% are owned by the POD beneficiary(ies) named on the signature record by the deceased party. Except as described in this Section 4.E, Marital Accounts are governed by the same terms and conditions as other jointly owned Accounts.

5. DISCLOSURE AND AGREEMENT FOR ELECTRONIC FUNDS TRANSFERS FOR PERSONAL ACCOUNTS

The terms in this Section 5 govern your use of electronic fund transfer services, including electronic deposit and withdrawal transactions. Services for electronic funds transfers are only available to Account Owners (or their authorized agents) who have specifically arranged for these services.

A. Services Offered

We offer electronic funds transfer services for personal Accounts including transactions using your Card, BMO Harris Bank by PhoneSM, our online banking services, BMO Harris Mobile BankingSM, BMO Harris Bill PaySM, and electronic payments such as ACH and Direct Deposit. Payments made by check through BMO Harris Bill Pay, and any other services that are not subject to Federal Reserve Board Regulation E, are not covered by this Section 5 and are instead governed by Section 7.H below and by the applicable provisions of the Uniform Commercial Code. For additional provisions relating to your Card, please see Section 9 below.

1. Electronic Deposits and Withdrawals. If you provide authorization to accept deposits or honor withdrawals electronically, we will provide such services.

- a) Preauthorized Deposits (Credits) – You can arrange with the payor to have certain Direct Deposits (for example, social security or payroll payments) automatically deposited to your designated Account. All credits to your Account for funds transfers are provisional until we receive final settlement for the funds. If we do not receive such final settlement, we are entitled to reverse the amount credited to your Account for that transfer.
- b) Direct Withdrawals (Debits) – You can arrange to have certain one-time withdrawals (for example, to pay a merchant) or recurring withdrawals (for example, regular monthly insurance premium payments) automatically paid from your Account, subject to applicable transaction limits. If you wish to terminate recurring electronic withdrawals, you should notify the payee. To stop payment on a one-time electronic withdrawal or on all electronic withdrawals to a particular payee, see Section 5.E below.

2. Electronic Check Conversion. When you provide a Check as payment, you authorize a merchant or other payee to make a one-time electronic withdrawal from your Checking Account using information from your Check to pay for purchases or pay bills.

B. Service Fees

Electronic funds transfers may be subject to a fee. Our fees currently in effect are disclosed in the Deposit Account Disclosure.

C. Documentation of Transactions

- 1. Confirmation of Preauthorized Deposits (Credits).** If you have arranged to have electronic deposits made to your Account from the same payor at least once every sixty (60) days (for example, if you have Direct Deposit of your social security payments to your Account), you can find out if your deposit has been received through our online banking services or by calling 1-888-340-2265. These electronic deposits will also appear on the periodic statements for your Account. We are not required to provide any other written notice to you concerning the receipt of such payments.
- 2. Periodic Statements.** You will get a statement for any month in which you have an electronic funds transaction described in this Section 5 affecting your Account.
- 3. Notice of Varying Payment Amounts.** If your recurring electronic payments may vary in amount, the person or company you intend to pay should tell you, ten (10) days before each electronic payment, the date the payment will be made and how much it will be. The person or company that you are paying may choose to give you the option to get this notice only when the payment would differ by more than a certain amount from the previous payment or when the amount would fall outside certain limits that you set. You should contact the person or company you are paying with any question about these notices.

D. Our Liability for Failure to Make Transfers

If we do not complete a transfer to or from your Account on time or in the correct amount according to our agreement with you, we will be liable for your Losses or damages. However, there are some exceptions. We will not be liable, for example, if (i) through no fault of ours, you do not have enough available funds in your Account to make the transfer; (ii) the transfer would go over the credit limit on your overdraft protection line of credit; (iii) any merchant or financial institution refuses to honor your transfer; (iv) a transfer is not completed due to communications or systems failure; (v) access to the Account is restricted due to its involvement in legal proceedings or by other claims or actions; or (vi) the Loss or damage occurs as a result of any other reason identified in Section 7.CC below. Except for your rights and our responsibilities actually stated in this Section 5.D, in Section 9 below, or as otherwise required by Applicable Law, and in cases of our gross negligence or willful misconduct, we are not responsible for any Loss or injury resulting from any electronic funds transfer services, and you waive all such claims.

E. Stop Payments

- 1. Rights and Procedures for Stop Payments.** If you have authorized recurring electronic payments from your Account (for example, to pay insurance premiums), you can stop any of these payments.

To stop payment on a one-time electronic withdrawal or to stop payment on all electronic withdrawals to a single payee, you must notify us orally in person at one of our branches, by calling us at 1-888-340-2265 or by writing to us at BMO Harris Bank, Attn.: Support, P.O. Box 94033, Palatine, IL 60094-4033 in time for us to receive your order request at least three (3) Business Days before the payment is scheduled to be made. If you call or tell us in person, we may require you to put your stop payment request in writing which we must receive within fourteen (14) days

after your call or visit. If we advise you that written confirmation is necessary when you call or visit us and we do not receive your written confirmation within fourteen (14) days, your oral stop payment order will expire and no longer be effective. We may have to close your Card and reissue you a new Card if you wish to cancel payments you had scheduled to be made at a future date using your Card. Please note that we will charge a stop payment fee for any stop payment order we receive and process as disclosed in your Deposit Account Disclosure. We also strongly recommend that if you have authorized some company other than us to initiate the payments from your Account, you contact that company and tell them you are revoking their authority to take payments from your Account.

- 2. Liability for Failure to Stop Payment.** If you request us to stop one of these payments three (3) Business Days or more before the transfer is scheduled, and we do not do so, we will be liable for your unrecoverable Losses.

F. Unauthorized Transactions, Errors, and Questions

1. In Case of Errors or Questions about Your Electronic Transfers

Call us at 1-888-340-2265 for errors involving Card transactions and electronic transfers or write to us at BMO Harris Bank, P.O. Box 94019, Palatine, IL 60094-4019, immediately, if you believe your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. Telephoning us is the best way to minimize your Losses for any error or unauthorized transaction.

In order to help resolve the problem, we will need you to:

- a) Tell us your name and Account number;
- b) Describe the error or the transaction and the date of the transaction you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information; and
- c) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you also send us your complaint or question in writing within ten (10) Business Days.

We will determine whether an error occurred within ten (10) Business Days after we hear from you and we will correct any error promptly. If we need more time, however, by law we may take up to forty-five (45) days to investigate your complaint or question. If we decide to take this additional time and you have provided us with written confirmation, we will provisionally credit your Account within ten (10) Business Days of first receiving your error notice for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If you fail to give us the requested written confirmation of your complaint or question within ten (10) Business Days, then we may not provide provisional credit to your Account or we may revoke the provisional credit we previously gave to you.

The time periods in the preceding paragraph may be extended as follows: (a) the applicable time is twenty (20) Business Days in place of ten (10) Business Days for new Accounts if the notice of error involves a transfer to or from the Account within the first thirty (30) days your Account is open; and (b) the applicable time is ninety (90) days in place of forty-five (45) days if

the notice of error involves a transfer that (i) was initiated outside the U.S.; (ii) resulted from a POS transaction; or (iii) occurred within the first thirty (30) days your Account is open.

We will tell you the results of our investigation within three (3) Business Days after completing our investigation. If we determine that there was no error, we will send you a written explanation, and debit your Account for any amount that was provisionally re-credited. You may ask us for copies of the documents we used in our investigation.

2. Limitations on Your Liability for Unauthorized Electronic Funds Transfers

If you tell us within two (2) Business Days after you learn of an unauthorized transaction, you can lose no more than \$50. However, you could lose as much as \$500 if:

- You do not tell us within two (2) Business Days after you learn of the loss; and
- We can prove that we could have stopped the loss from occurring if you had told us within two (2) Business Days.

Also, if your statement shows transactions that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was provided to you and if we can prove that we could have stopped someone from taking the money if you had told us within sixty (60) days, you may not get back any money you lost after the sixty (60) days. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we may extend these time periods.

G. Termination; Miscellaneous

We may terminate or limit the electronic funds transfer services we offer to you under this Section 5 at any time in our sole discretion. The rules, regulations, and agreements that govern your deposit Accounts (as set forth in your Deposit Account Agreement) apply to all electronic funds transfers affecting your Accounts.

6. SUBSTITUTE CHECKS AND YOUR RIGHTS AS A CONSUMER

Important Information about Your Personal Checking Account

What Is a Substitute Check?

To make Check processing faster, federal law permits banks to replace original Checks with “substitute Checks.” These Checks are similar in size to original Checks with a slightly reduced image of the front and back of the original Check. The front of a substitute Check states: “This is a legal copy of your check. You can use it the same way you would use the original check.” You may use a substitute Check as proof of payment just like the original Check.

Some or all of the Check images that you receive back from us may be substitute Checks. This notice describes rights you have when you receive substitute Checks from us. The rights in this notice do not apply to original Checks or to electronic debits to your Account. However, you have rights under other laws with respect to those transactions.

What Are My Rights Regarding Substitute Checks?

In certain cases, federal law provides a special procedure that allows you to request a refund for Losses you suffer if a substitute Check is posted to your Account (for example, if you think that we withdrew the wrong amount from your Account or that we withdrew money from your Account

more than once for the same Check). The Losses you may attempt to recover under this procedure may include the amount that was withdrawn from your Account and fees that were charged as a result of the withdrawal (for example, returned Check fees).

The amount of your refund under this procedure is limited to the amount of your Loss or the amount of the substitute Check, whichever is less. You also are entitled to interest on the amount of your refund if your Account is an interest-bearing Account. If your Loss exceeds the amount of the substitute Check, you may be able to recover additional amounts under other laws.

If you use this procedure, you may receive up to \$2,500 of your refund (plus interest if your Account earns interest) within ten (10) Business Days after we receive your claim and the remainder of your refund (plus interest if your Account earns interest) not later than forty-five (45) calendar days after we receive your claim.

We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute Check was correctly posted to your Account.

How Do I Make a Claim for a Refund?

If you believe that you have suffered a Loss relating to a substitute Check that you received and that was posted to your Account, please contact us at:

BMO Harris Bank
Attn: P&C Product Operations Retail Servicing
P.O. Box 5731
Carol Stream, IL 60197
1-888-340-2265

You must contact us within forty (40) calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute Check in question or the Account statement showing that the substitute Check was posted to your Account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances. If you submit your claim orally, we will require you to submit the claim in writing within ten (10) Business Days.

Your claim must include:

- A description of why you have suffered a Loss (for example, you think the amount withdrawn was incorrect);
- An estimate of the amount of your Loss;
- An explanation of why the substitute Check you received is insufficient to confirm that you suffered a Loss; and
- A copy of the substitute Check or the following information to help us identify the substitute Check: the Check number, the amount of the Check, the date of the Check, and the name of the person to whom you wrote the Check.

7. TERMS APPLICABLE TO ALL ACCOUNTS

A. Deposits

You may make deposits in person, by mail, or by any other means we make available to you, including at select BMO Harris ATMs that accept deposits. Unless we agree otherwise, Checks and other Items you want to deposit must be in U.S. dollars and must be personally endorsed by all parties to whom they are payable. We may require that an endorsement by a person other than you be verified or guaranteed. We are not liable for deposits made to our depository box (including night deposit boxes) until we retrieve and process the deposit. All deposited Items are credited to your Account subject to final payment and receipt of proceeds by us. If a deposited Item is returned to us unpaid for any reason, we may subtract the amount of that returned Item from the balance in your Account, together with any interest that may have been earned or accrued while on deposit together with any Deposited Item Returned Fee, as disclosed to you in the Deposit Account Disclosure or the BMO Harris Bank Business Service Fee Schedule. If we receive notice that an Item is being returned we may place a hold on the funds in your Account to recover the amount of the Item when the Item is returned to us. We do not have to give you prior notice of our actions with respect to an Item.

If a deposited Item is returned unpaid we may, at our option and without notice to you, choose to redeposit the Item, either in its original form or by converting it to an electronic payment and redepositing it as an ACH entry. Such Check conversion (and any associated fee) is not an electronic funds transfer subject to Section 5 of this Agreement.

At our discretion, we can refuse, limit, or return any deposit. We have sole discretion to determine whether we accept Items for deposit or collection, including Items drawn on a non-U.S. bank or Items payable in a foreign currency. Handling an Item "for collection" means that instead of accepting the Item for deposit, we send the Item directly to the issuer's bank for payment. We will credit your Account only when we receive final payment for the Item. You agree to pay the Collection Items Fee for each collection, as disclosed to you in the Deposit Account Disclosure or the BMO Harris Bank Business Service Fee Schedule. Items sent for collection and Items we accept for deposit which are drawn on a non-U.S. bank or are payable in a foreign currency are not subject to our Funds Availability Policy for Deposit Accounts in Section 8 below. If the Item is payable in foreign currency, the credit to your Account will be determined by the paying bank using its exchange rate in effect at the time of final collection in U.S. dollars and the credit will reflect fees charged by the paying bank.

You agree that we, in receiving Items for deposit or collection, act only as your collecting agent and assume no responsibility beyond reasonable care and that all deposited Items are credits subject to our receipt of final payment. We will not be responsible for an Item lost while not in our possession.

B. Interest

If your Account is an interest-bearing Account, the terms governing our payment of interest are explained in the Deposit Account Disclosure, Interest Rate Sheet, or the BMO Harris Bank Business Service Fee Schedule. These terms, including rate of interest, computation of interest, maturity conditions, minimum deposit requirements, fees and other terms are subject to change at our discretion. Contact your BMO Harris Banker or call 1-888-340-2265 for the current interest rate. Unless otherwise provided at CD opening or renewal, the rate of interest paid, computation of interest and maturity conditions of the CD will not change during its term. For cash and electronic deposits, interest begins to accrue on the Business Day of deposit. For all other deposits (for example, Checks), interest begins to accrue no later than the Business Day we receive credit for the deposit

in accordance with the Funds Availability Policy for Deposit Accounts in Section 8 below. We will not pay interest on any deposited Item that is returned to us unpaid.

C. Fees and Service Charges

Fees and service charges are listed in the Deposit Account Disclosure or the BMO Harris Bank Business Service Fee Schedule. Applicable fees and service charges are subject to change at any time. The Deposit Account Disclosure and the BMO Harris Bank Business Service Fee Schedule may also include requirements which, if met, will provide you with certain fee waivers on your Account.

You agree to pay any applicable fees and service charges when due, and you authorize us to deduct such fees and service charges from your Account. For business Accounts, you authorize us to deduct such fees and service charges from your Account to the extent they are not offset by an Earnings Credit. You understand our withdrawal of fees and service charges from your Account will result in your Account becoming overdrawn if you do not have sufficient available funds to pay such fees and service charges, in which case you will be charged Consecutive Day Overdraft Fees as described in the Deposit Account Disclosure or the BMO Harris Bank Business Service Fee Schedule. You agree that our right to deduct any fees and service charges from the funds in your Account extends to any state and federal benefit payments (including, for example, social security benefits) that you have chosen to deposit in the Account. If you do not want your benefits to be applied in this way, you must change your Direct Deposit instructions by contacting the benefits payor and following its procedures to change your Direct Deposit.

If your Account is held as an asset under your IRA Plan, you agree that any IRA Plan fees not paid separately by you may be deducted from your Account.

D. Forms Specifications; Special Instructions

All Checks, withdrawal forms, deposit slips and transfer instructions used in connection with your Account must be on forms obtained through or approved by us. You agree to maintain adequate safeguards to ensure the authorized use of the forms you retain and agree to notify us immediately if you become aware that any Checks or other forms are lost or stolen. In the case of a lost cashier's check or official bank check of which you are the remitter or the payee, we will require a declaration of loss from you and at least a ninety (90) day waiting period before reissuing or refunding the amount of the check. In the case of a lost money order of which you are the remitter or the payee we will require a declaration of loss from you. You are responsible for the condition of Checks when you issue them. We are not responsible for Losses you may suffer if a Check you issue or deposit is returned or processing of the Check is delayed as a result of any writing or marking that you or a prior endorser place on the front or back of the Check, improper printing on Checks, your failure to maintain adequate safeguards against unauthorized use, or your failure to issue Checks in a manner so as to prevent unauthorized completion, alteration or addition. You agree that we may refuse to accept for deposit or to process any Item that is presented in a form that cannot be processed or photographed using equipment that we use in our normal operations. If you place an order to print Checks through us, you authorize us to charge your Account a Check printing fee, as disclosed to you at the time of your order.

We will not follow any restrictions or special instructions written on or accompanying an Item (for example, "void after 30 days," "paid in full," "not valid if drawn for more than \$500") unless we have separately agreed to them in writing. We will not be liable for any Item paid contrary to restrictions even if payment causes your Account to have insufficient funds to pay other Items drawn on it.

E. Endorsements

We may endorse Items deposited to your Account without your endorsement but may, at our option, require your personal endorsement prior to accepting an Item. With respect to any such Item, our rights and your liabilities will be determined as if you actually endorsed and deposited the Item. Any endorsement made with a Signature Device will be deemed to contain your endorsement, whether or not affixed by someone with your authority.

When you endorse Checks that you ask us to cash or deposit, you must endorse them in the area that extends one and one-half (1-1/2) inches from the trailing edge of the back of the Check. The trailing edge is the left side of the Check when you look at it from the front. You must also confine information that you place or have preprinted on the back of your Checks to the same area. Otherwise, it may overlap into the area reserved for the banks' endorsements and cause delays in processing and returning such Items.

You agree to pay us for any Losses we incur as a result of your failure to properly endorse any Item.

F. General Withdrawal Limitations

We will allow withdrawals from Accounts (except CDs) without prior notice. However, federal regulations provide that we must retain the right to require at least seven (7) days' written notice prior to any withdrawal or transfer from an interest-bearing Account, but not from an interest-bearing demand deposit Account. If you want to withdraw large amounts in cash from your Account, we may place reasonable restrictions on the time and place you may receive cash based on our security and operational considerations.

G. Money Market Deposit and Savings Accounts Withdrawal Limitations

By federal regulation, withdrawals or transfers from money market Checking and Savings Accounts are unlimited when made in person at the Bank, at an ATM, by messenger, or by mailing a request or speaking to a telephone representative to have a Check payable to you mailed to you. Transfers to repay loans at the Bank are also unlimited. All other withdrawals or transfers, including, for example, those made by Check, POS transactions, ACH, wire, BMO Harris Bank by PhoneSM, BMO Harris Mobile BankingSM and online banking, or pursuant to an overdraft protection program or service that we offer, are limited to a combined total of six (6) per month or monthly statement period. We may, at our option, decline any withdrawal or transfer that exceeds these limits and we will charge a fee for any withdrawal or transfer that exceeds these limits. If you exceed these withdrawal limitations, we reserve the right to change your Account to another type of deposit Account that pays a lower rate of interest or no interest but has more flexible withdrawal and transfer capabilities, or we may close your Account. We will give you thirty (30) days' notice before any such change becomes effective.

H. Wire and Other Funds Transfers

This Section 7.H does not apply to electronic funds transfers that are governed by Section 5 above.

(i) Wire Transfers

Unless you have entered into a separate wire transfer agreement with us, the following provisions apply to both wire transfers that you send and receive. If you have entered into a separate wire transfer agreement with us, the provisions below govern wire transfers that you receive and the wire transfer agreement governs the wire transfers that you send.

Any payment order verified through the use of our established security procedures will be treated as your payment order, and you will be required to pay us the amount of the payment order whether

or not you authorized it. We may, but are not required to, act on any payment order that does not comply with our security procedures and you will be required to pay us the amount of the payment order whether or not you authorized it if we accepted the payment order in good faith. Please read our security procedures at www.bmoharris.com/security. If you initiate a payment order, you acknowledge and agree that our security procedures (i) are commercially reasonable based on the size, type and frequency of the payment orders you make; and (ii) verify the authenticity of the payment order but not whether the payment order is correct. We reserve the right to delay the execution of any payment order until we are able to verify the authenticity of the payment order by any means reasonably acceptable to us. We will not be liable to you or any other person for such delay provided that we acted in good faith.

You are responsible for the contents of each payment order you send to us. You acknowledge and agree that we and any receiving bank are entitled to rely on your Account number or the recipient's account number (or bank identification number) that appears on your payment orders without any obligation to look at the name of the receiving customer or bank that may also appear on the payment order.

(ii) ACH Credits and Debits

When we receive ACH credits or debits to your Account, we are authorized to credit or debit your Account, as the case may be, and you agree to be bound by the rules of the National Automated Clearing House Association. Under these rules, you must promptly report unauthorized entries to us so they can be returned to the originating source in a timely manner.

(iii) Provisional Credit

You also agree that funds to be credited to your Account are provisional until we receive final payment. If we receive a demand for reimbursement from any payor of a Direct Deposit to your Account claiming that you were not entitled to certain payments, we are authorized to charge your Account for the amount of the claim.

(iv) Review of Wire and Other Transfers

The periodic statements we provide to you will notify you of funds transfer payments credited to your Account or debited from your Account. You agree that we are not required to provide any other notice to you of receipt of funds transfers. Once we make your statement available to you, you agree to notify us immediately if you believe a funds transfer shown on your statement is incorrect.

I. BMO Harris Bank by PhoneSM Services

You can use BMO Harris Bank by PhoneSM services to obtain certain automated services on your Account with us, such as receiving information about the balance or recent transaction activity in your Account, issuing certain stop payment orders on your Account, and initiating the transfer of available funds between your eligible Accounts. When you enroll in BMO Harris Bank by PhoneSM you will be required to establish a PAC which will be necessary to access BMO Harris Bank by PhoneSM. You agree not to reveal your telephone identification number or PAC to any person. Please read our security procedures at www.bmoharris.com/security.

J. BMO Harris Online and Mobile Banking Services

BMO Harris online and mobile banking services are governed by separate terms and conditions provided to you when you enroll in such services.

K. Internet Gambling or Illegal Transactions

If we reasonably believe a transaction is prohibited or involves other illegal activities, we reserve the right to refuse a transaction, freeze your Account, or close your Account. Under the Unlawful Internet Gambling Enforcement Act, transactions, including Checks, Card transactions, electronic funds transfers, wires, drafts, or credit transactions that fund illegal Internet gambling, are prohibited. You agree that you will not use your Account to participate in any unlawful Internet gambling transactions or illegal transactions.

L. Relationship Waiver for Deposit Accounts

Relationship Waiver is a feature of certain Accounts that offers monthly maintenance fee waivers on eligible Checking Accounts if the stated requirements are met each statement period. The requirements to receive benefits under Relationship Waiver are provided in your Deposit Account Disclosure, the BMO Harris Bank Business Service Fee Schedule, and this Agreement and vary based on the Checking Account you designate as your Master Account. Each month you do not meet the Relationship Waiver requirement for the statement period, you will be charged the monthly maintenance fee for your Accounts, unless you satisfy the requirements for another way to waive the monthly maintenance fee on the particular Account.

The following rules apply to Relationship Waiver. We do not automatically link your Accounts or designate Accounts as your Master Account or, where applicable, Linked Plus Accounts. Accounts that appear on a combined statement are not necessarily or automatically linked to your Master Account for purposes of determining your eligibility for Relationship Waiver. An Account may only be linked to one Master Account. Contact your BMO Harris Banker for more information on Relationship Waiver and to link your Accounts.

BMO Harris Select CheckingSM, Harris Select CheckingSM, Harris Premier CheckingSM or BMO Harris Portfolio CheckingSM as Master Account

If you designate a BMO Harris Select CheckingSM, Harris Select CheckingSM, Harris Premier CheckingSM or BMO Harris Portfolio CheckingSM as your Master Account, Relationship Waiver allows you to link eligible Accounts for the purpose of reaching the minimum Combined Balance requirement for your Master Account. Each month you meet the Combined Balance requirement for your Master Account, you will receive a monthly maintenance fee waiver on your Master Account and the associated Linked Plus Accounts.

Linking Accounts

To receive a monthly maintenance fee waiver based on Combined Balances, you must contact your BMO Harris Banker to request Relationship Waiver, and designate your Master Account, Linked Accounts and Linked Plus Accounts.

In order to meet the Combined Balance requirement of your Master Account, you may link any personal Checking or Savings Account, CD and IRA (that is not subject to ERISA) on which you are listed as an Account Owner as a Linked Account. You may link any business Checking Account or Savings Account or CD owned by your sole proprietorship (as stated in the assumed name certificate) or a partnership in which you are a partner (as stated in the partnership agreement) as a Linked Account. You cannot link an HSA as a Linked Account. You should refer to your Deposit Account Disclosure to determine which Accounts are eligible to be linked as Linked Plus Accounts to receive a monthly maintenance fee waiver under Relationship Waiver.

You may not link any other accounts, including HSAs, IRAs that are subject to ERISA, loan accounts, line of credit accounts, investment accounts, IOLTAs and IBRETAs for the purposes of satisfying the Combined Balance requirement. You may not link any trust Account, except Accounts opened by you as part of your revocable living trust. We bear no responsibility for your decision to link Accounts. You should carefully consider your decision to link Accounts, and consult your legal advisor.

If you designate an Account that sweeps to an investment which is not FDIC insured as a Linked Account, only balances which remain in your FDIC-insured Account will be included in the Combined Balance.

The statement period date and frequency for your Linked Plus Accounts will be changed to be the same as the statement period and frequency as your Master Account.

Wealth Checking as Master Account

A Wealth Checking Account designated as your Master Account operates differently than other Accounts designated as your Master Account. If you designate your Wealth Checking Account as your Master Account, the Average Daily Balance in your Wealth Checking Account will determine whether you receive a monthly maintenance fee waiver on your Master Account and Linked Plus Accounts under Relationship Waiver.

Linking Linked Plus Accounts

To receive a monthly maintenance fee waiver based on the Average Daily Balance in your Wealth Checking Account, you must contact your BMO Harris Banker to request Relationship Waiver and designate your Master Account and Linked Plus Accounts. If you designate a BMO Harris HSA as your Master Account, Relationship Waiver allows you to link eligible Accounts for the purpose of reaching the Combined Balance requirement for your Master Account. Each month you meet the Combined Balance requirement for your Master Account, you will receive a monthly maintenance fee waiver on your Master Account. There are no Linked Plus Accounts for a Master Account that is a BMO Harris HSA.

Business Advantage Checking as Master Account

If you designate a Business Advantage Checking Account as your Master Account, Relationship Waiver allows you to link eligible Accounts for the purpose of reaching the Combined Balance requirement for your Master Account. Each month you meet the Combined Balance requirement for your Master Account, you will receive a monthly maintenance fee waiver on your Master Account. You cannot link an HSA as a Linked Account. Trust accounts may be linked only if they are revocable living trust accounts established by a sole proprietor (as identified in an assumed name certificate) or one or more partners named in the partnership agreement.

You may not link any other accounts, including HSAs, IRAs that are subject to ERISA, loan accounts, line of credit accounts, investment accounts, IOLTA Accounts and IBRETA Accounts, for the purposes of satisfying the Combined Balance requirement. M. Statements, Notifications and Your Duty to Examine

A monthly statement for all Accounts (except CD Accounts) will be made available to you, unless otherwise described in the Deposit Account Disclosure or the BMO Harris Bank Business Service Fee

Schedule. We will mail statements to you at the address in our files, unless we agree otherwise. If you have agreed to receive statements electronically, we will send you email notices at the email address we have on record when your statements are available. The notice will identify the website where the statements are posted. For Accounts owned jointly, the periodic statement will only be sent to the Primary Account Owner.

The balance shown on your statement is not final until verified by us in comparison with our records. We reserve the right not to send or otherwise make available to you statements on Accounts (a) where no transaction occurs other than the posting of interest, (b) a statement is returned as undeliverable, or (c) we consider Dormant or abandoned. If we retain your Checks or any other evidence of debit or credit entries to your Account and do not return them to you, we may destroy them and use reasonable care to maintain legible copies for any period required by Applicable Law. Copies of your statements and Checks will be made available to you for a fee as described in the Deposit Account Disclosure or the BMO Harris Bank Business Service Fee Schedule.

You must promptly and carefully examine all statements, the images of your canceled Checks, and other Items we provide or make available to you regarding your Account. If you feel there is an error on the statement, or that some unauthorized person has withdrawn funds from your Account, you must notify us in a timely manner. Your Account statement will be considered correct unless you notify us otherwise. Because you are in the best position to prevent and discover an unauthorized or altered transaction, you agree that we will not be liable: (a) if you did not exercise reasonable care in examining the statement, the images of your canceled Checks or any other Items; (b) if you did not report the unauthorized or altered transaction to us within thirty (30) days of the date we mailed or made available the earliest statement reflecting such transaction; (c) if the Items drawn without authority or altered were forged, counterfeited or altered so cleverly that a reasonable person cannot detect it (for example, unauthorized Checks made with your facsimile or other Signature Device or that look to an average person as if they contain an authorized signature); or (d) as otherwise provided by Applicable Law.

The period in which you must notify us if your statement shows an unauthorized transaction may be longer or shorter if the transaction is related to wire transfers or other fund transfers (see Section 7.H of this Agreement), a substitute Check for personal Accounts (see Section 6 of this Agreement), or an unauthorized electronic funds transfer or Card transaction on a personal Account or Card (see Sections 5 and 9 of this Agreement).

Subject to Applicable Law, you are precluded from commencing legal action or an arbitration proceeding against us relating to or arising from erroneous, unauthorized or altered Checks, signatures, endorsements or other problems unless you commence such legal action or arbitration within one (1) year after we mailed or made available to you the first statement reflecting the transaction in question.

Subject to Applicable Law, with regard to any transaction you claim to be unauthorized or altered, we reserve the right to conduct a reasonable investigation before re-crediting your Account and you agree to fully cooperate with such investigation, including completing and signing an affidavit of unauthorized transaction and providing us with a copy of any police report you filed with regard to the transaction, if such steps are deemed necessary in our sole discretion. If you are unwilling to fully cooperate with our investigation, you agree that we may consider the matter resolved and reverse any provisional credit we may have provided.

N. Combined Statements

You may elect to have deposit Accounts and loan accounts that meet our eligibility requirements appear on a combined statement. You agree that we may change the statement period for those deposit Accounts to a single monthly statement period only for the purpose of providing you combined statements. You agree that information regarding your accounts will be made available to other account owners for all accounts appearing on the combined statement. Contact your BMO Harris Banker for more information on combined statements.

O. Change in Terms; Notices

We may change this Agreement, our Deposit Account Disclosure, or the BMO Harris Bank Business Service Fee Schedule, or any other documents governing your Account and our relationship at any time. Unless otherwise required by Applicable Law or specified by us, amendments and changes will be effective after any of the following: (a) notice of amendment or change is mailed to your current address in our files, (b) notice of amendment or change is posted in the lobbies of our branches for a reasonable period of time, or (c) if applicable and permitted, notice of amendment or change is provided in electronic form. If we are permitted to send a notice electronically, we may provide such notice of amendment or change to you: (1) by email at the email address we have on record at the time, (2) by access to a website that we will identify in an email notice we send to you at the time the information is available, or (3) by access to a website that generally we will identify to you in advance for such purpose. If you continue to use your Account, Card, or related services, or keep the Account open after the effective date of any such notice you will be deemed to agree to the amendment or change. No notice is required for changes in the interest rate and corresponding changes in the annual percentage yield for variable rate Accounts or for any Check printing fees. In addition, if we make changes which are either favorable to you or will have no adverse effect we will not provide you notice, unless required to do so by Applicable Law. Any provision of this Agreement may be changed or terminated immediately, without notice, to the extent necessary to comply with any Applicable Law.

Other notices that we send or make available to you will be considered effective in accordance with the delivery standards in this Section 7.0. Notice from you will be considered effective when we receive it at our branches or other location as designated by us and we have had a reasonable time to act on it. Notice to any one Account Owner of your Account is notice to all Account Owners of your Account. Also, notice to us from any one Account Owner or Authorized Signer on an Account will be considered notice from all Account Owners. There are different notice procedures that apply to marketing communications and solicitations. Please refer to the Privacy Policy for opt out procedures related to marketing and solicitations.

P. Change of Address; Personal Information; Returned Mail; and Subsequent Communications

You must notify us promptly if you change your personal information such as your name, address, email address, phone number, SSN or TIN, or resident/citizenship status, and we may require you to confirm this change in writing. If you do not notify us of a change in your personal information, we will send notices, changes in terms, fee changes, statements, or other communications regarding your Account to you at the address (or email address if you have agreed to receive electronic notices) maintained in our records. If we receive information of a change in your address from the U.S. Postal Service or other source in the business of providing address information, we will change your address in our records to the new address. If a business Account, we may update our records to reflect any changes in information regarding your Account that have been conveyed to us by an Authorized Signer.

If notices, changes in terms, fee changes, statements, or other communications we send to you regarding your Account are returned as undeliverable, you agree that (i) we may discontinue mailing such documents to you; and (ii) any information in such documents will be retained by us in our computer system and such documents will be available to you upon request; however, such information may be destroyed by us in accordance with our standard record retention policies and procedures. You also agree that (i) the information contained in such documents will be deemed available to you on the date that such documents would have been mailed to you; and (ii) any notices, changes in terms, fee changes, statements or other communications contained in such documents are effective and binding upon you, as of the date set forth in such documents.

In the event your mail is returned to us as undeliverable, the procedures set forth in this Section 7.P shall be deemed to amend our normal notice procedures described in Section 7.O, above. You agree the process described in this Section 7.P is an acceptable method of delivery of information to you. You agree to defend, indemnify, and hold us harmless for taking the steps described in this Section 7.P.

Q. Customer Communications

To improve customer service and security, you agree that your telephone communications with us may be monitored and recorded. If you provide us with your cell phone number as a contact number for your Account, you acknowledge and agree that we may contact you at that number. You agree that calls concerning any of your Accounts or Cards with us are not unsolicited, including calls which are dialed automatically and play a recorded message.

R. Signature Requirements; Forgeries and Alterations

You agree that our use of electronic processing and automated payment of Checks without manual verification of signature, or other examination, is a procedure that does not vary unreasonably from general banking usage and constitutes ordinary care by us in paying Checks. We will have no responsibility for reviewing the number or combination of signatures on any Item drawn against an Account. Even if you have indicated that more than one signature is required in connection with an Item drawn on an Account, you authorize us to honor or pay an Item through the Account contrary to the signature requirements you have specified, provided at least one of the required signatures appears on the Item.

S. Use and Disclosure of Customer Information

Generally, we will not disclose information about you, your Account or transactions to third parties or our affiliates, except (i) as authorized by you; (ii) as permitted by Applicable Law; or (iii) as described in the Privacy Policy. By opening, maintaining or using an Account, you irrevocably authorize us to disclose information (i) to our affiliates, accountants, lawyers, service providers, vendors or agents; (ii) to our regulators; (iii) to law enforcement authorities; and (iv) for the following purposes: (a) to provide, exchange or verify credit information, in the regular course of business (including collecting an obligation owed to us or a third party) with other financial institutions, commercial enterprises or credit bureaus; or (b) to comply with government or court requests, orders or legal process including subpoenas, summonses or search warrants.

Sharing and Use of Information within The BMO Harris Family of Companies. We may share within The BMO Harris Family of Companies information about your transactions or experiences with us, information you supply on your Account applications, and information we receive from third parties. As an individual, you have the right to instruct us not to share among our banks and affiliated financial

service companies certain information (other than information about our transactions and experiences with you) from your Account applications or information we receive from third parties. This information includes your income, your Account history and your credit score. As an individual, federal law gives you the right to limit some but not all marketing from The BMO Harris Family of Companies. You may limit our affiliates from marketing their products or services to you based on personal information about you that they may receive from other companies within The BMO Harris Family of Companies.

T. Opting Out of Affiliate Sharing, Affiliate Marketing and/or Direct Marketing

If you do not want us to share certain information about you or you want to limit marketing from our affiliates, you must tell us when you call us at 1-888-654-0063, visit any BMO Harris location, or write to the BMO Harris Bank Privacy Office at 111 W. Monroe St., Chicago, IL 60603. Please note that limiting marketing from affiliates does not prohibit the companies within The BMO Harris Family of Companies with whom you have established a business relationship from marketing their products and services to you.

You may request not to receive direct marketing regarding our products or services by calling us at 1-888-654-0063. Please note that it may take several weeks to fully implement your request.

If two or more customers jointly own an Account or obtain a service, your preference(s) regarding affiliate sharing, affiliate marketing and/or direct marketing will apply to all Accounts at the address of the customer making the preference. For BMO Private Bank customers, your preference regarding affiliate sharing, affiliate marketing and/or direct marketing will apply only to the customer making the request unless otherwise directed by you. Your choice(s) will apply until you tell us to change your preference(s).

U. Security Interest, Setoff and Assignment Restrictions

You hereby grant us and each of our affiliates a security interest in all Accounts owned by you, either individually or jointly, now or in the future, with us or with any one of our affiliates, regardless of the amount of your contribution to an Account, in order to secure payment of any and all claims including fees and service charges we or any one of our affiliates may have against you, or a joint Account Owner, whether or not another party is also liable for such claims and whether such claims relate to the Account, an overdraft protection plan, a credit agreement, or other circumstances. Prior to exercising our setoff right, we will provide you with notice to the extent required by Applicable Law. If you fail to satisfy a claim, you hereby authorize us or any one of our affiliates to pay all or a portion of the amount of the claim by a debit to or withdrawal from the Account, without obtaining your consent. Our right of setoff may be exercised at any time subject to Applicable Law and we have sole discretion to choose which Account we debit.

In addition to the rights granted herein, we and each of our affiliates retain all rights of setoff pursuant to Applicable Law. If you owe money to us or any of our affiliates, we can use the money from any Account (except HSAs and IRAs) to pay the debt. If we cash or otherwise give you credit for any Item which is returned unpaid, we are authorized to deduct such amount from any Account maintained by you whether individually or jointly, regardless of the amount of your contribution to your Account. To the extent the debt arises from the Account where Direct Deposits of federal or state benefit payments are made, you expressly agree that all such rights extend to any federal or state benefit payments (including, for example, social security benefits) deposited into the Account. You understand and agree that if you do not want your benefits applied in this way, you must change your Direct Deposit instructions to the benefits payor. If your Account is a joint Account and one or more joint Account Owners are indebted to us in any manner, we may use the funds in the

joint Account to pay the debt. Our right of setoff does not apply: (a) to IRAs or other tax-deferred retirement accounts; (b) to HSAs; (c) if the debt is created under a consumer credit card plan; or (d) when your right to withdraw funds from the Account arises only in a representative capacity. If we make a setoff against your Account, you agree to release and indemnify us from all liability for our actions. If you or any joint Account Owner draws a Check or otherwise authorizes withdrawals not presented for payment until after the drawer's death, or if any joint Account Owner is indebted to us at the time of his or her death, we are authorized to pay such Checks and withdrawals and exercise our right of setoff against the Account after such joint Account Owner's death, notwithstanding any rights that a surviving joint owner, a POD payee or a beneficiary of an ITF or "trustee for" account may have to funds in the Account.

You are prohibited from assigning your rights to or granting a security interest in an Account without our prior written consent. You understand that any assignment or pledge of your Account is subject to our prior security interest and right of setoff. We also reserve the right to determine whom to pay first among competing claimants. You further agree to indemnify us against any Losses incurred by us if you assign or grant a security interest in your Account (whether or not we consented to such security interest). You also grant us a security interest in your Account as security for your performance of this indemnity, and the right to terminate or place a hold on the Account and dishonor all Items drawn on the Account that you have assigned or in which you have granted a security interest to any third party (whether or not we consented to such security interest).

V. Taxpayer Identification Numbers

You must give your correct SSN or other TIN when you establish an Account with us. When you sign an Account opening form or signature card, you certify that the number you are giving is correct (or that you are waiting for a number to be issued), that you are not subject to backup withholding, and that you are a U.S. person (including a resident alien). If you are not a U.S. person (including a resident alien or a foreign corporation, foreign partnership or foreign trust), you must give us the proper Form W-8 or other required forms.

W. Transfer of Account Ownership

You may not transfer any of your rights to your Account without our consent. Ownership of your Account is only transferable on our records with our consent. Even if we consent, we may require you to close that Account and have the new Account Owner open a new Account in his or her name.

HSAs and IRAs may not be transferred except to a qualified successor custodian or trustee. You may be liable for a fee upon transfer of your Account as described in the Deposit Account Disclosure.

X. Dormant and Abandoned Accounts

If your Account becomes Dormant, we will notify you and we will impose a periodic Dormant Account Fee in addition to any applicable Account maintenance fees as long as the Account remains open. Refer to the Deposit Account Disclosure or the BMO Harris Bank Business Service Fee Schedule for current fees.

Your Account will be presumed abandoned and the funds in the Account will be transferred in accordance with Applicable Law. You also agree that when your Account becomes abandoned in accordance with Applicable Law, we will stop paying interest on the Account.

Y. Closing Your Account

You can close your Account at any time for any reason by giving us written notice. We can close the

Account at any time and we may assess an Account Closing Fee, as disclosed in the Deposit Account Disclosure or the BMO Harris Bank Business Service Fee Schedule. If we close your Account, we will mail you a notice and a check for the balance if it is more than one dollar (\$1). If your balance is one dollar (\$1) or less, we will mail you a notice, but we will not mail you a check. Please allow four (4) to six (6) weeks to receive such funds from us. If your Account is closed before interest is credited, you will not receive any accrued and unpaid interest. Any Items presented after your Account is closed will be returned unpaid. After your Account is closed, you agree we have no obligation to accept deposits or pay outstanding Items. In addition, after the Account is closed, you agree to remain liable for fees and other obligations related to your Account, regardless of when they were incurred, including liability for all outstanding Items. We have the right to advise credit bureaus if your Account is closed for misuse. The provisions of this Agreement, which by their nature are intended to be binding after your Account is closed, shall remain binding between you and us, including, but not limited to, indemnification obligations and limitations on liability.

7. Attorneys-in-Fact and Agents

- 1. Powers of Attorney.** You may provide us with a written power of attorney designating an attorney-in-fact to have authority to exercise all, or some, of your rights under this Agreement, as limited by us in our sole discretion. Subject to Applicable Law, we may limit you to the appointment of one attorney-in-fact to have authority over your Accounts. If the Account is a joint Account, we may honor a power of attorney from one joint Account Owner and you agree that we have no duty or obligation to notify any other Account Owner(s) on that Account of the power of attorney. Subject to Applicable Law, any such appointment must be in a form satisfactory to us, and we may refuse to honor powers of attorney in our sole discretion. We may require that the principal or attorney-in-fact provide us with an affidavit confirming that the power of attorney has not been revoked or terminated. You agree that we are authorized to permit any person to whom you have granted a power of attorney to exercise all, or some, of your rights under this Agreement until such time as we receive written notice that the power of attorney has been terminated or revoked and we have had a reasonable opportunity to act upon it. You agree to indemnify and hold us harmless from and against any actions we have taken or your attorney-in-fact has taken regarding this Agreement or any Account prior to the revocation or termination of such power. You agree that we do not have any duty to monitor the acts of any attorney-in-fact or ensure that such acts are for your use or benefit or are otherwise permissible under Applicable Law. You agree to indemnify and hold us harmless and that we will not be liable or responsible if the actions or inactions of any attorney-in-fact exceed his or her powers, or if his or her actions cause you any harm or are against your interests, or if such actions do not comply with Applicable Law.
- 2. Agents and Authorized Signers.** If your Account allows for and you have designated an Authorized Signer (including, for example, on a signature card) for any Account, that Authorized Signer may perform any action on your Account that you may perform except as may be limited by us in our sole discretion or by you with our consent. You agree to defend, indemnify and hold us harmless from and against any action an Authorized Signer has taken or not taken with respect to your Account or under this Agreement until such time as we receive written notice that the authority has been terminated or revoked and we have had a reasonable opportunity to act upon such notice. You agree that we have no duty to monitor the acts of any Authorized Signer or ensure that their acts are for your use or benefit or are otherwise permissible under Applicable Law. If you have designated one or more authorized users for our online banking services and you wish to remove an authorized user's access to our online banking services, you must log on to your online account

and remove such authorized user from your online account. Notifying us that the authority for an Authorized Signer on your Account has been revoked or terminated will not result in our removal of that individual as an authorized user in online banking. We do not delete authorized users from your online account.

AA. Legal Proceedings; Disputes and Protection Against Loss

We are authorized to comply with any legal process including, for example, any subpoena, summons, garnishment, tax withholding order, court order, injunction, execution, or any tax or other levy relating to your Account. We are not required to determine whether the court had the authority to issue the legal process. In addition, upon receipt of oral or written notice from any party of a claim regarding the Account, we may place a hold on the Account. In such case, you agree to indemnify and hold us harmless for our failure or refusal to honor any Item drawn on the Account or any other withdrawal instruction.

We may restrict your use of your Account in the event your Account becomes involved in legal proceedings or we believe or receive notice that there is a dispute or uncertainty regarding the ownership or control of the funds in your Account or regarding the rights, powers, duties or authority of a signer, until the dispute is settled or the uncertainty resolved to our satisfaction. In addition, if we believe or receive notice that you have used or are using your Account in a fraudulent or unlawful manner, we may reverse any deposits to or payments from your Account, no matter when they were originally made, in order to avoid or reduce any loss which we would otherwise incur because of the fraudulent or unlawful use.

You may be charged a fee for each legal process as shown in the Deposit Account Disclosure or the BMO Harris Bank Business Service Fee Schedule. In the event we become a party in any legal proceedings involving you, another Account Owner, your Account or a third person, you agree to pay us for all fees and expenses (including reasonable attorneys' fees) that we incur responding to any legal process relating to your Account. You agree to indemnify us for all Losses incurred by us as a result of such legal proceedings subject to Applicable Law and you authorize us to deduct any such Losses from your Account. We have no liability to you if we comply with legal process as provided by Applicable Law including disclosure of Account information on individual or joint Accounts and combined statements. In the event of your death, we will not release funds on deposit until all legal documents we require are accepted by us.

In the event you opt out of the arbitration provision in Section 7.FF of this Agreement, and you or we file a lawsuit or legal proceeding in connection with your Account, you consent to the jurisdiction and venue of the state and federal courts of Illinois.

WAIVER OF TRIAL BEFORE JURY OR JUDGE. TO THE EXTENT ALLOWED BY LAW, YOU UNDERSTAND AND AGREE THAT YOU AND WE ARE WAIVING THE RIGHT TO A JURY TRIAL OR TRIAL BEFORE A JUDGE IN A PUBLIC COURT.

BB. Indemnity

For additional clarity, and not as replacement of any other provision of this Agreement requiring indemnification by you, and to the extent permitted by Applicable Law, you agree to defend, indemnify, and hold us harmless for any breach of this Agreement, including for all Losses arising out of or resulting from the following as further described in greater detail in this Agreement:

- Your failure to provide a valid address;
- Your assignment of a security interest in your Account;

- We make a setoff against your Account;
- We place a hold on your Account after we receive notice of a claim against your Account;
- We place a hold on your Account after we become aware of or suspect a dispute regarding the funds in or the authority to act on the Account;
- We incur Losses related to a claim against your Account;
- Unauthorized use or misuse of your Account;
- Your failure to comply with our endorsement standards;
- Prior to receipt of notice of your death, disability or termination of authority of an Authorized Signer or of a power of attorney, and a reasonable opportunity to act, we take action on your Account at your direction or at the direction of such attorney-in-fact, agent, or Authorized Signer;
- Actions taken by your attorney-in-fact, agent, or Authorized Signer;
- Any Loss based on your instructions; and
- Any Loss arising from our refusal to act if you have not provided all documentation we require.

CC. Limitation of Liability

This Agreement and the Account relationship do not create a fiduciary relationship between us. We owe you a duty only of ordinary care.

To the extent permitted by Applicable Law, we are not liable to you for errors that do not result in a financial Loss to you. If we fail to stop payment on an Item, improperly dishonor an Item or pay an Item bearing an unauthorized signature, forged drawer's signature or forged endorsement or alteration, our liability, if any, is limited to the face amount of the Item. In no event shall we be liable for indirect, special, incidental, exemplary, punitive or consequential Losses or damages of any kind.

We may take any action authorized or permitted by this Agreement without being liable to you, even if such action causes you to incur a Loss.

We are not liable to you for any Loss caused by an event that is beyond our reasonable control including if circumstances beyond our reasonable control prevent us or delay us in performing our obligations for a service, including acting on a payment order, crediting a funds transfer to your Account, processing an Item or crediting your Account. Circumstances beyond our reasonable control include, but are not limited to: a natural disaster; adverse weather conditions; acts of God; acts of terrorism; emergency conditions; a legal constraint or governmental action or inaction; strike or stoppage of labor; power failure; the breakdown or failure of our equipment for any reason; the breakdown of any communication or transmission facilities, any mail or courier service; suspension of payments by another bank; or your act, omission, negligence or fault.

You agree that the amount of any claim you have against us in connection with any Account or transaction with us is reduced by the extent that: (a) negligence or failure to use reasonable care on your part, or on the part of any of your attorney-in-fact, Authorized Signers, agents or employees, contributed to the Loss that is the basis of your claim; and (b) the Loss could not be avoided by our use of ordinary care.

Any Loss recovery you obtain from third parties on a particular claim will reduce the amount of any obligations we may have to you on that claim and you will immediately notify us of any such recovery. You agree to pursue all rights you may have under any insurance policy you maintain in connection with any Loss and to provide us information regarding coverage. You agree to cooperate

with us in good faith during any claims process and agree to provide documents and assistance as necessary. Our liability will be reduced by the amount of any insurance proceeds you receive or are entitled to receive in connection with the Loss. If we reimburse you for a Loss covered by insurance, you agree to assign us your rights under the insurance to the extent of your reimbursement.

To the extent permitted by Applicable Law, we will have no responsibility and will incur no liability for any act or failure to act by any merchant, other financial institution, Cardholder, or any other third party.

DD. Waiver/Enforceability

No delay in enforcing our rights will affect your obligations under this Agreement. If we waive any of the provisions of this Agreement, such waiver will apply only on that occasion and is not sufficient to modify the terms and conditions of this Agreement. If there is a conflict between this Agreement and Applicable Law, this Agreement will be considered changed to the extent necessary to comply with Applicable Law. Except as described in the arbitration provision, found in Section 7.FF of this Agreement, if any provision of this Agreement is deemed to be invalid, illegal or otherwise unenforceable, that provision may continue to be enforceable to the extent permitted by the court, and the remainder of that provision will no longer be considered part of this Agreement. All other provisions of this Agreement will remain in full force and effect.

EE. Security

It is your responsibility to safeguard information and equipment that may allow access to your Account including, but not limited to, Account numbers, statements, user identification and passwords, your Checks, Signature Devices, Cards, PACs and PINs. If such information or equipment becomes compromised, we will not be liable. For our complete security policy and other helpful tips, please see our website at www.bmoharris.com/security.

FF. Arbitration Provision

Please read this provision carefully. It affects your rights and will have a substantial impact on how legal claims you and we have against each other are resolved.

Summary

Most customer concerns can be resolved quickly and to the customer's satisfaction by calling us. In the unlikely event that we are unable to resolve any Claims you may have to your satisfaction (or if we have not been able to resolve a Claim we have with you after attempting to do so) after following the procedures set forth in this provision, you and we each agree to resolve those Claims through binding arbitration or small claims court instead of in courts of general jurisdiction. Arbitration is more informal than a lawsuit in court. Arbitration uses a neutral arbitrator instead of a judge or jury, allows for more limited discovery than in court, and is subject to very limited review by courts. Arbitrators can award the same damages and relief on an individual basis that a court can award to an individual. Any arbitration under this provision will take place on an individual basis; class arbitrations, class actions, private attorney general actions, and non-individualized injunctive relief are not permitted. By agreeing to arbitrate, both parties are waiving the right to a trial by jury or before a judge. For any non-frivolous Claim with a value of \$75,000 or less, we will pay the filing, administration and arbitrator fees charged by the American Arbitration Association (also referred to in this provision as the "AAA") in connection with the arbitration. Moreover, in arbitration you are entitled to recover attorney's fees from us to at least the same extent as you would be in court.

In addition, under certain circumstances (as explained below), we will pay you more than the amount of the arbitrator's award and will pay your reasonable attorney's fees even when you would not be entitled to recover such fees under Applicable Law in a court proceeding.

YOU HAVE A RIGHT TO OPT OUT OF THIS ARBITRATION PROVISION AS DISCUSSED BELOW.

Special Definition of Certain Terms

For purposes of this Section 7.FF only, references to "you," "your," "we," "our," and "us" in this arbitration provision include each party's respective parent companies, subsidiaries, affiliates, agents, employees, officers, directors, predecessors in interest, successors and assigns, as well as all authorized or unauthorized Account Owners, Cardholders, custodians, users or beneficiaries of Accounts under this Agreement or any prior agreements between you and us, as applicable.

Claims Subject to Arbitration

We and you agree to arbitrate all disputes or claims between you and us arising out of or relating to your Account or this Agreement. This arbitration provision is intended to be broadly interpreted. Claims include, but are not limited to:

- claims arising out of or relating to your Account(s), this Agreement, any other agreement related to your Accounts, or any transactions arising thereunder, whether based in contract, tort, statute, fraud, misrepresentation or any other legal theory;
- claims that arose before the effective date of this Agreement or any prior deposit account agreement (including, but not limited to, claims relating to advertising, promotions, or disclosures);
- claims that are currently the subject of purported class action litigation in which you are not a member of a certified class; and
- claims that may arise after the termination of this Agreement.

This Agreement evidences a transaction in interstate commerce, and thus the Federal Arbitration Act, 9 U.S.C. § 1 et seq., governs the interpretation and enforcement of this provision. The arbitrator will decide the substance of all Claims in accordance with all Applicable Law, including recognized principles of equity and statutes of limitations, and will honor all claims of privilege recognized by law. Under this arbitration provision, arbitrators will not be bound by rulings in prior arbitrations involving different customers but are bound by rulings in prior arbitrations involving the same customer to the extent required by Applicable Law. This arbitration provision will survive the closing of your Account and/or the termination of this Agreement.

Unless both you and we agree otherwise, each party must bring all related or similar Claims in a single arbitration proceeding. If you or we later initiate a subsequent arbitration asserting Claims that are related or similar to ones that were raised by such party in a prior arbitration, the AAA or the arbitrator will either: (i) consolidate the subsequent arbitration with the earlier proceeding if it is ongoing or (ii) dismiss the subsequent arbitration if it raises Claims that would be barred by Applicable Law if brought in court.

Notice of Dispute and Arbitration Procedures

A party who intends to pursue a Claim must first send to the other a Notice of Dispute. Any Notice of Dispute sent to us should be addressed to:

BMO Harris Bank
P.O. Box 88840
Carol Stream, IL 60188-8840

Any Notice of Dispute sent to you by us will be sent to the address in our records that is associated with your Account at the time the Notice of Dispute is sent. The Notice of Dispute must (a) describe the nature and basis of the Claim; (b) set forth the specific relief sought; (c) set forth the name and address of the claimant; and (d) include the Account number to which the Claim relates. If we and you do not reach an agreement to resolve the Claim described in the Notice of Dispute within forty-five (45) days after the Notice of Dispute is received, you or we may commence an arbitration proceeding. If you or we attempt to commence arbitration proceedings before providing the requisite Notice of Dispute, the AAA shall not commence administration of arbitration proceedings for at least forty-five (45) days after the AAA receives the request to initiate arbitration. Neither you nor we will disclose to the arbitrator the existence, amount, or terms of any settlement offers made by either party until after the arbitrator issues a final award resolving the Claim.

A form for initiating arbitration proceedings is available on the AAA's website at www.adr.org.

After we receive notice that you have commenced arbitration, we will promptly reimburse you for your payment of the filing fee unless the value of the relief sought in your Claim(s) is greater than \$75,000. The maximum filing fee to be paid by you is currently \$125 for Claims up to \$10,000 and \$375 for Claims over \$10,000 and up to \$75,000. However, these fees are subject to change at the discretion of the AAA. In addition, if you or we initiate an arbitration proceeding in which the value of the relief sought (either to you or to us) is greater than \$75,000, the payment of all AAA filing, administration and arbitrator fees will be governed by the AAA Rules. If you are unable to pay your share of the filing fee, we will pay it directly to the AAA upon receiving a written request from you at the notice address provided above. The arbitration will be governed by the AAA Rules as modified by this Agreement and will be administered by the AAA. The AAA Rules are available online at www.adr.org, by calling the AAA at 1-800-778-7879, or by writing to the notice address provided above.

The arbitrator is bound by the terms of this Agreement. All issues are for the arbitrator to decide, except that issues relating to the arbitrability of Claims or the scope, and enforceability of this arbitration provision, including the interpretation of the prohibition of class and representative actions and non-individualized relief, are for the court to decide. If the value of the relief sought (either to you or to us) is \$10,000 or less, we agree that you may choose whether the arbitration will be conducted solely on the basis of documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing as established by the AAA Rules. If the value of the relief sought (either to you or to us) exceeds \$10,000, the right to a hearing will be determined by the AAA Rules. Any in-person arbitration hearing will take place within the federal judicial district where the address associated with your Account as identified in our records at the time the arbitration is commenced is located or, if that location is inconvenient to you, at some other location that the parties agree is convenient. Regardless of the manner in which the arbitration is conducted, the arbitrator, upon the request of either party made prior to the closing of the hearing (or, if there is no oral hearing, prior to or along with submission of final documents to the AAA), will issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the award, if any, is based. Unless otherwise agreed by you and us, any award will be rendered by the arbitrator not later than fourteen (14) days from the date of the closing of the hearing or, if there is no oral hearing, from the date of the AAA's transmittal of the final statements and proofs to the arbitrator in accordance with the AAA Rules. Except as otherwise provided herein, we will pay the filing, administration and arbitrator fees charged by the AAA for any arbitration initiated in accordance with

the notice requirements above. If, however, the arbitrator finds that either the substance of your Claim or the relief sought in your Claim is frivolous or brought for an improper purpose (as measured by the standards set forth in Federal Rule of Civil Procedure 11(b)), then the payment of all such fees will be governed by the AAA Rules. In such case, you agree to reimburse us for all monies previously disbursed by us that are otherwise your obligation to pay under the AAA Rules.

Alternative Payment and Attorney's Fees

If, after finding in your favor on the merits of your Claim(s), the arbitrator issues you an award that is greater than the value of our last written settlement offer made before an arbitrator was selected, then we will:

- pay you the amount of the award or \$5,000, whichever is greater (the "alternative payment"); and
- pay your attorney, if any, the amount of attorney's fees, and reimburse any expenses (including expert witness fees and costs reasonably necessary to prove your Claim), that your attorney reasonably incurs for investigating, preparing, and pursuing your Claim in arbitration (the "attorney payment").

If we did not make a written offer to settle the Claim(s) before an arbitrator was selected, you and your attorney will be entitled to receive the alternative payment and the attorney payment, respectively, if the arbitrator finds in your favor on the merits of your Claim(s). The arbitrator may make rulings and resolve disputes as to the payment and reimbursement of fees, expenses, the alternative payment, and the attorney payment upon request from either party made within fourteen (14) days of the arbitrator's ruling on the merits. In assessing whether the arbitrator's award is greater than the value of our last written settlement offer, the arbitrator will not include in his or her calculations the value of any attorney's fees or expenses incurred by you after the date of our last written settlement offer. If you amend your Claim after an arbitrator is selected to include new or different Claims, the arbitrator will stay further arbitration proceedings for thirty (30) days, during which time we may make a written settlement offer that is deemed to be effective before the date of the arbitrator's selection for purposes of assessing the availability of the alternative payment and/or attorney payment.

The right to the attorney payment supplements any right to attorney's fees and expenses you may have under the Applicable Law. Thus, if you would be entitled to a larger amount under the Applicable Law, this provision does not preclude the arbitrator from awarding you that amount. However, you may not recover duplicative awards of attorney's fees or expenses. Although under some laws we may have a right to an award of attorney's fees and expenses if we prevail in an arbitration, we agree that we will not seek such an award unless you have retained an attorney and your Claim is determined to be frivolous or brought for an improper purpose (as determined by the arbitrator and measured by the standards set forth in Federal Rule of Civil Procedure 11(b)).

Prohibition of Class and Representative Actions and Non-Individualized Relief

The arbitrator may award injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief necessitated by that party's individual Claim; any injunctive relief must be individualized in nature and cannot affect individuals other than the claimant. YOU AND WE AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN YOUR OR OUR INDIVIDUAL CAPACITY AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING, OR AS A PRIVATE ATTORNEY GENERAL OR ON BEHALF OF THE GENERAL PUBLIC. Further, unless both you and we agree otherwise, the arbitrator may not consolidate more than one person's claims, and may not otherwise preside over any form of a representative or class proceeding.

If a court decides that any part of this arbitration provision (other than the prohibition of class or representative actions and/or consolidation) is invalid or unenforceable, the other parts of this arbitration provision will still apply. However, if a court decides that this paragraph's prohibition of class or representative actions and/or consolidation is invalid or unenforceable, then the entirety of this arbitration provision will be null and void.

Availability of Small Claims Court and Access to Government Agencies

Notwithstanding the foregoing, either party may bring an individual action in small claims court. This arbitration provision does not preclude you from bringing issues to the attention of federal, state, or local agencies. Such agencies can, if the law allows, seek relief against us on your behalf.

Opt Out Procedures

You can choose not to agree to this arbitration provision ("opt out") by writing to us within sixty (60) days after the date that we open your Account. The written opt out notice must state that you do not agree to this arbitration provision and must be postmarked no later than sixty (60) days after the date that we open your Account. The opt out notice must include your name, address and Account number(s) to which the opt out applies. You must sign the written opt out notice for it to be effective. Mail the opt out notice to:

BMO Harris Bank
P.O. Box 88840
Carol Stream, IL 60188-8840

This is the only way you can opt out of this arbitration provision. If you opt out of this arbitration provision, all other parts of this Agreement will continue to apply to your Account(s). Opting out of this arbitration provision has no effect on any previous, other, or future arbitration agreements that you may have with us.

Future Changes to the Arbitration Provision

Notwithstanding any provision in this Agreement to the contrary, we agree that if we make any future change to this arbitration provision (other than a change to any notice address, website link or telephone number provided herein), that change will not apply to any Claim of which we had written notice on the effective date of the change. Moreover, if we seek to terminate the arbitration provision as included in this Agreement, any such termination will not be effective until at least thirty (30) days after written notice of such termination is provided to you, and shall not be effective as to Claims which arose prior to the date of termination.

Other Remedies

This arbitration provision and the exercise of any of the rights you and we have under this provision will not prohibit you or us from exercising any lawful rights either you or we have to use other remedies available to preserve, foreclose or obtain possession of real or personal property or exercise self-help remedies, including setoff rights as described in this Agreement.

8. FUNDS AVAILABILITY POLICY FOR DEPOSIT ACCOUNTS

Our general policy for all Checking Accounts (including money market Checking Accounts) is to make funds from wire transfers, electronic Direct Deposits, and cash deposits made with a BMO Harris Banker available to you on the Business Day we receive the deposit. Funds from Check deposits made at one of our branches or with one of our bankers and ATM deposits will be made available to you on the first Business Day after we receive your deposit. Once the funds are available, you can withdraw them in cash and we will use them to pay Checks you have written.

When Your Deposit Is Received

If you make a deposit on a Business Day before the daily cut-off time for the branch you visit, we will consider that Business Day to be the day we received your deposit. If you make a deposit after the cut-off time, or on a day that is not a Business Day, we will consider the deposit to have been received by us on the next Business Day. If you make a deposit at a BMO Harris location in the State of Washington we will consider the deposit to have been received by us on the Business Day it is received at a BMO Harris branch in Arizona.

Deposits made at a night drop location or night depository will be retrieved and verified by us once at the beginning of each Business Day. Therefore, if you use a night drop during the day, that deposit will not be considered received by us until the next Business Day when we retrieve it and process it. Deposits made through the mail are deemed received when they arrive at our operations center and are opened and processed.

Determining Availability

Cut-off times for branch deposits vary by location. The cut-off time for branch deposits is the closing time of the branch where the deposit is made.

Deposits may be made at select BMO Harris ATMs. The cut-off time for ATM deposits is 6:00 p.m. Central Time.

Same Day Availability

Funds from the following deposit types will be available for use on the Business Day we receive the deposit:

- Cash;
- Federal Reserve Bank wire transfers;
- Preauthorized electronic credits; and
- Checks drawn on us deposited into personal Accounts.

Next Day Availability

Funds from the following deposit types will be available for use on the first Business Day after we receive the deposit:

- All other Checks; and
- ATM deposits.

Longer Delays May Apply

In some cases, we will not make all of the funds that you deposit by Check available to you on the first Business Day after we receive your deposit. These funds will be available on the second Business Day after we receive your deposit; however, the first \$200 of your deposit will still be available on the first Business Day. If we are going to delay availability, we will notify you at the time you make your deposit and will tell you when the funds will be available. If your deposit is not made directly through one of our employees, or if we decide to take this action after you leave the premises, we will send you the notice no later than the day after we receive your deposit. If you need the funds from a deposit immediately, you should ask us when the funds will be available.

In addition, funds you deposit by Check may be delayed for a longer period under the following circumstances: if we believe a Check you deposit will not be paid; if you deposit Checks totaling more than \$5,000 on any one (1) day; if you redeposit a Check that was returned unpaid; if you have overdrawn your Account repeatedly in the last six (6) months; or if there is an emergency such as failure of communications or computer equipment, or severe weather.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. Funds will generally be available no later than the seventh Business Day after we receive your deposit.

Special Rules for New Checking Accounts

If you are a new Checking Account customer (including a customer with a money market Checking Account), the following special rules may apply during the first thirty (30) days your account is open. Funds from electronic Direct Deposits (such as Direct Deposits of payroll or social security benefits) to your Account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government Checks will be available on the first Business Day after the day of your deposit if the deposit meets certain conditions. The excess over \$5,000 will be available on the ninth Business Day after the day of your deposit. If your deposit of these Checks (other than a U.S. Treasury Check) is not made in person through one of our employees, the first \$5,000 will not be available until the second Business Day after the day of your deposit. Funds from all other Check deposits may not be available until the ninth Business Day after the day of your deposit.

Cashing Checks

If we cash a Check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds in any of your deposit Accounts with us. Those funds will be available at the time funds from the Check we cashed would have been available had you deposited it.

Funds Availability for Savings Accounts

Deposits to these Accounts are generally available for withdrawal on the first or second Business Day after the day of your deposit. We reserve the right to further delay the ability to withdraw funds under special circumstances without notice to you.

If you have any questions regarding this policy, or about the availability of any deposit you make, please speak with your BMO Harris Banker or call us at 1-888-340-2265.

9. BMO HARRIS CARDHOLDER AGREEMENT

The terms in this Section 9 govern the use of Cards we issue in connection with your Account(s). At your request, we may in our sole discretion issue a Card to access your Account to each Account Owner or authorized Cardholder. By requesting a Card, or by allowing the use of a Card, you agree to be bound by the terms of this Section 9. Please note that if you have authorized us to issue a Card to someone other than an Account Owner (for example, your agent or, for HSAs, one of your dependents), you are agreeing to allow full access to the funds in your Account to the Cardholder as well as access to your account balance and transaction history. A Cardholder can also receive your Account information when his or her identity is verified. PINs are provided to Cardholders for identification and your protection. Each Cardholder is the only authorized user of his or her Card and PIN. You assume responsibility if any Cardholder fails to comply with the terms and conditions of this Section 9.

A. Services Offered for All Personal and Business Cards

1. ATM Transactions. Cards may be used by Cardholders to withdraw cash, subject to applicable transaction limits (see Section 9.B), transfer funds between your Accounts, or perform a balance inquiry on your Account through participating networks.

Cards may be used by Cardholders to withdraw funds at any ATM in a participating network. A current list of participating networks is available by calling 1-888-340-2265. The networks identified on the Card may not accurately reflect the current list of participating networks. Cards may be used by Cardholders at BMO Harris ATMs without incurring a Non-BMO Harris ATM Transaction fee. Cardholders may also use Cards at Bank of Montreal (BMO) branded ATMs without incurring a Non-BMO Harris ATM Transaction fee; however, a Foreign Transaction Fee will be charged if the transaction is initiated outside the United States. See Section 9.A.4 below for more information.

Cardholders may make deposits at BMO Harris ATMs that accept deposits. Deposits may not be made at Non-BMO Harris ATMs. See Section 9.C below for restrictions governing ATM deposits.

All transactions initiated through any ATM are subject to verification and are subject to the time necessary to process them. Transactions made after 6:00 p.m. Central Time on any Business Day or on a non-Business Day may not be processed by us until the following Business Day.

2. POS Transactions. If the primary Account related to your Card(s) is a Checking Account, Cards may be used to pay for purchases with funds in your Checking Account, subject to applicable transaction limits at any merchant that accepts your Card. Please note, however, that HSA Cards may not be used at an automated fuel dispenser (i.e., pay at the pump).

The amount of any Card purchase will be deducted directly from your Checking Account, and you cannot stop payment on any purchase made with a Card. Use of the Card for a purchase is regarded as a withdrawal from your Account at the time the Card is used, even if the transaction is not posted immediately to your Account. Purchases attempted with your Card against Savings Accounts are prohibited and will be declined.

For POS transactions, we may place a temporary hold on your Account equal to the authorization amount submitted by the merchant, which may affect available balances for the purpose of authorizing other transactions or paying Items posting to your Account. Since the merchant may not know the actual amount of the transaction (for example, restaurant purchases, car rentals, or hotel purchases) at the time of the authorization, the authorization amount may be less or more than the

actual amount of the transaction. This hold will affect your available balance, and you may incur Overdrafts due to this hold. (See Section 2.B and Section 9.H of this Agreement for more information about transactions that overdraw your Account.)

3. Cash Advances at Participating Financial Institutions. Cardholders with Debit Cards can obtain cash advances at any participating financial institution and at a limited number of merchants that are permitted to perform cash advances. These cash advances are withdrawals from your Account and are subject to the transaction limits listed in Section 9.B.

4. Foreign Transactions. For an ATM or POS transaction at a non-U.S. location in a currency other than U.S. dollars, the governing ATM or POS network will convert the local currency transaction amount into a U.S. dollar amount using its then current currency conversion procedures. The currency conversion rate used to determine the transaction amount in U.S. dollars is, in most cases, either (i) a government mandated rate or (ii) the wholesale rate in effect in accordance with their procedures. The currency conversion rate in effect on the conversion date may differ from the rate in effect on the transaction date. For each ATM or POS transaction at a non-U.S. location, we will charge a Foreign Transaction Fee as described in the Deposit Account Disclosure or the BMO Harris Bank Business Service Fee Schedule, whether or not a currency conversion is required. If a currency conversion is required, the Foreign Transaction Fee is calculated after the transaction amount is converted to U.S. dollars. The Foreign Transaction Fee will apply to any transaction initiated in a foreign country, whether initiated by a Cardholder while traveling or by a foreign merchant for a purchase a Cardholder made remotely from the United States.

B. Limitation on Frequency or Dollar Amounts of Transactions

We reserve the right to limit the amount and/or frequency of Card transactions, and we may change those limits and impose other limits or restrictions on use of your Card(s). Use of each Card is subject to the following daily limits unless you have been specifically advised by us that different limits are applicable to your Card(s):

Daily transaction limits for personal and business Debit Cards	Dollar Limit	Transaction Limit
ATM cash withdrawal	\$520	3
Cash advance	\$1,000	3
POS signature transaction	\$5,000	25
POS PIN transaction	\$5,000	25
Account to Account Payment	\$5,000	25

Daily transaction limits for personal ATM Cards	Dollar Limit	Transaction Limit
ATM cash withdrawal	\$520	3
Cash advance	N/A	0
POS signature transaction	N/A	0
POS PIN transaction	\$5,000	25
Account to Account Payment	\$5,000	25

Daily withdrawals and purchase limits refresh as of 12:00 a.m. (midnight) Central Time. We may not authorize a withdrawal from your Account if you have insufficient available funds to cover the

withdrawal. For security reasons, there may be additional limits on the number or dollar amount of Card transactions, and we may change your limits or deny authorization for a transaction without notice to you if we suspect that fraud or other suspicious activity has occurred.

In addition to the transaction limits in the tables above, by federal regulation withdrawals or transfers from money market Checking Accounts and Savings Accounts are unlimited when made in person at the Bank, at an ATM, by messenger, or by mailing in a request or speaking to a telephone representative to have a Check payable and mailed to you. Transfers to repay loans with us are also unlimited when made from money market Checking Accounts and Savings Accounts. All other withdrawals or transfers from money market Checking Accounts and Savings Accounts, including those made by Check, POS transactions, ACH, wire, automated telephone banking, and online banking, are limited to a combined total of six (6) per month or monthly statement period. For Savings Accounts (including money market Savings Accounts), transactions that exceed the limitations described in this paragraph will not be permitted.

C. Special Provisions Regarding ATM Deposits

The following types of Checks should not be deposited at an ATM: (i) Checks that raise any question regarding endorsements, such as missing or second endorsements or restrictive or conditional endorsements; (ii) Checks drawn on a bank outside the U.S. or payable in a foreign currency; and (iii) Checks that are postdated, stale dated, or have any missing or altered information. Speak with your BMO Harris Banker about the proper handling of these types of Checks. If an envelope is required to process a deposit at an ATM, the Cardholder must use an envelope approved for use in an ATM. Each deposit at an ATM may include no more than six (6) Items endorsed for deposit and shall not exceed \$99,999.99. Two (2) or more separate deposits may be made at an ATM to accommodate more Items or a larger dollar amount. All deposits made through an ATM are subject to actual receipt and verification as to amount. You agree that the Bank's records reflecting transactions initiated through the use of the Card will be presumed correct. Deposits are subject to our Funds Availability Policy for Deposit Accounts (see Section 8 above).

D. Service Fees

Card transactions are subject to fees. Our fees currently in effect are disclosed in the Deposit Account Disclosure or the BMO Harris Bank Business Service Fee Schedule. When a Cardholder conducts a Non-BMO Harris ATM Transaction, we will charge you a fee and you may also be charged a fee by the ATM owner or operator. Please note that fees imposed by the owner or operator of a Non-BMO Harris ATM are outside our control and may be changed at any time. You authorize us to deduct any fees charged by us or any ATM owner or operator directly from your Account.

E. Documentation of Transactions

Except for balance inquiries and certain small dollar amount transactions as permitted by Applicable Law, a Cardholder should get, or should have the option to get, a receipt each time he or she uses his or her Card to conduct a transaction. We are not liable for the failure of a merchant or the owner or operator of a Non-BMO Harris ATM to give you a receipt for a transaction.

F. Your Representations and Warranties Regarding Cards

You agree, and agree to instruct each Cardholder, to sign the Card promptly following receipt.

G. Additional Representations and Warranties for Business Customers with Cards

You represent and warrant that (i) this Agreement, including this Section 9.G, has been duly authorized and does not violate your charter or bylaws (or corresponding operating documents if you are not a corporation), (ii) the individuals designated by you from time to time as being authorized to request Cards, designate Cardholders and link Cards to your Accounts have been properly authorized, (iii) the individuals designated as Cardholders by you are properly authorized to use all of the services and engage in all of the types of transactions that are available for the type(s) of Cards requested by your authorized representatives, (iv) Cards are provided solely for use by Cardholders for business purposes (and not personal, family or household purposes); and (v) you will, and will instruct each Cardholder to: (a) safely keep the Card and PIN separate and in your, his, or her sole possession; (b) not disclose the PIN, write it on the Card, or otherwise make it available to anyone else; (c) use the Card, PIN, and ATM or POS terminals only as instructed and authorized and subject to limitations we may impose and change from time to time; (d) save all receipts and have them verified against your monthly Account statement; (e) report all crimes immediately to the owner or operator of the ATM and to the local law enforcement official; and (f) immediately report to you and us any loss, theft, disappearance or known or suspected unauthorized use of any Card or PIN.

H. Limitations on Services

Some Card services may not be available at all ATM or POS terminals. We reserve the right to restrict or to revoke use of the Cards for one or more types of transactions. If a Card transaction has not been conducted for at least twelve (12) consecutive months, we may close the Card or not reissue it. You may, however, call us to request a new Card. We may restrict the number of Cards we issue for your Account. Eligibility for the Cards may be limited. Cards and PINs remain our property, may be canceled at any time without notice, and must be destroyed upon request. We may terminate some or all of these Card services at any time. At our discretion, we may not authorize subsequent Card transactions or pay Items drawn on your Checking Account(s) due to outstanding Card transactions that have not been posted to your Account(s).

We may allow, at our discretion, withdrawal transactions that exceed your available Account balance or available line of credit. If there is a negative balance in your Account, you agree to pay the Overdraft. You further agree to pay any Overdraft Fees relating to the Overdraft if your Card is linked to: (a) a personal Account and you have agreed to opt-in to the Overdraft Program for ATM and everyday (non-recurring, single) debit Card transactions or (b) a business Account. (See Section 2.B above.) If you have a personal Account and have not opted in to the Overdraft Program for ATM and everyday (non-recurring, single) debit Card transactions, you will still be liable for any Overdraft, but will not be obligated to pay any Overdraft Fees.

I. Your Liability

You authorize us without further inquiry to credit or charge your Account(s) for all deposits, withdrawals, purchases and transfers, if applicable, initiated through use of any of your Cards, and you agree, except as otherwise required by Applicable Law, that you will be liable for all Card transactions initiated with a correct PIN or a signature that reasonably resembles the signature of the Cardholder appearing on the Card. You also authorize us to charge your Account(s) for the amount of any Check or other Item for which cash or credit is given in any Card transaction if that Item is dishonored, charged back or otherwise returned to us unpaid. Each time a Card is used the amount of the transfer is considered a withdrawal from your Account, even if the transaction is not posted immediately to your Account. For Cards linked to personal Accounts, your liability for unauthorized transactions is limited by the Electronic Funds Transfer Act and Regulation E (see Section 9.K.1 below).

J. Our Liability for Failure to Make Transfers

If we do not complete a transfer to or from your Account on time or in the correct amount according to our agreement with you, we will be liable for your Losses or damages. However, there are some exceptions. We will not be liable, for example, if (i) through no fault of ours, you do not have enough available funds in your Account to make the transfer; (ii) the transfer would go over the credit limit on your overdraft protection line of credit; (iii) the ATM where you are making the transfer does not have enough cash; (iv) the ATM, POS terminal or system was not working properly and you knew about the breakdown when you started the transaction; (v) any merchant or financial institution refuses to honor your Card; (vi) a transfer is not completed due to communications or systems failure; (vii) access to the Account is restricted due to its involvement in legal proceedings or by other claims or actions; or (viii) the Loss or damage occurs as a result of any other reason identified in Section 7.CC of this Agreement. Except for your rights and our responsibilities actually stated in this Section 9.J and in cases of our gross negligence or willful misconduct, we are not responsible for any Loss or injury resulting from the use of your Card, Card number or PIN, any ATM or POS terminal, or any other electronic funds transfer services, and you waive all such claims.

K. Unauthorized Transactions, Errors, and Questions

Call us at 1-888-340-2265 or write to us at BMO Harris Bank, P.O. Box 94019, Palatine, IL 60094-4019, **IMMEDIATELY** (i) for errors involving Card transactions, (ii) if you believe any of your Cards or PINs have been lost or stolen, (iii) if you think your statement or receipt is wrong, or (iv) if you need more information about a transaction reported on a statement or receipt. Telephoning is the best way to minimize your Losses for any error or unauthorized transaction.

1. Personal Cards

a. In Case of Errors or Questions about Personal Card Transactions

In order to help resolve any errors or questionable Card transactions, we will need you to:

1. Tell us your name, Account number, and Card number.
2. Describe the error or the transaction and the date of the transaction you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you also send us your complaint or question in writing within ten (10) Business Days.

We will determine whether an error occurred within ten (10) Business Days after we hear from you and we will correct any error promptly. If we need more time, however, by law we may take up to forty-five (45) days to investigate your complaint or question. If we decide to take this additional time and you have provided us with written confirmation, we will provisionally credit your Account within ten (10) Business Days of first receiving your error notice for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If you fail to give us the requested written confirmation of your complaint or question within ten (10) Business Days, then we may not provide provisional credit to your Account or we may revoke the provisional credit we previously gave to you.

The time periods in the preceding paragraph may be extended as follows: (a) the applicable time is twenty (20) Business Days in place of ten (10) Business Days for new accounts if the notice of error involves a transfer to or from the Account within the first thirty (30) days your Account is open; and

(b) the applicable time is ninety (90) days in place of forty-five (45) days if the notice of error involves a transfer that (i) was initiated outside the U.S.; (ii) resulted from a POS transaction; or (iii) occurred within the first thirty (30) days your Account is open.

We will tell you the results of our investigation within three (3) Business Days after completing our investigation. If we determine that there was no error, we will send you a written explanation, and debit your Account for any amount that was provisionally re-credited. You may ask us for copies of the documents we used in our investigation.

b. Limitations on Your Liability for Unauthorized Personal Card Transactions

If you tell us within two (2) Business Days after you learn of the loss or theft, you can lose no more than \$50 if someone used your Card or PIN without your permission. However, you could lose as much as \$500 if:

- You do not tell us within two (2) Business Days after you learn of the loss or theft of your Card or PIN; and
- We can prove that we could have stopped someone from using your Card or PIN without your permission if you had told us.

If you do not tell us within sixty (60) days after the statement was provided to you and if we can prove that we could have stopped someone from taking the money if you had told us within sixty (60) days, you may not get back any money you lost after the sixty (60) days. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we may extend these time periods.

c. State Specific Limits:

- Wisconsin.** If your Account is assigned to a branch located in Wisconsin, the most you can lose if someone used your Card or PIN without your permission is \$50.
- Kansas.** If your Account is assigned to a branch located in Kansas, your liability for an unauthorized transaction or a series of unauthorized transactions by a machine readable instrument will not exceed \$50, unless you fail to notify us within four (4) Business Days after learning of the loss or theft of that instrument; then your liability will not exceed \$300.

2. Business Cards

In case of errors or questionable Card transactions, we must hear from you no later than thirty (30) days after we send or otherwise make available to you the first statement on which the problem or error appeared. We will need you to:

- a. Tell us the name of the Account Owner and all Cardholders, the Account number, and the Card number;
- b. Describe the error or the transaction and the date of the transaction you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information; and
- c. Tell us the dollar amount of the suspected error. If you tell us orally, we may require that you also send us your complaint or question in writing within ten (10) Business Days.

If you are claiming that a Card transaction was unauthorized, you agree to cooperate with us in our investigation and give us a copy of any police report and an affidavit covering all reasonably related facts and circumstances.

L. Termination; Miscellaneous

We may close a Card at any time in our sole discretion. All Cards and PINs are our property and you agree to destroy them upon demand. Closing your Card will not affect any liability you have to us with respect to transactions initiated through the use of the Cards prior to the date that your Card is closed or transactions accepted by us in good faith after the date your Card is closed. The rules, regulations and agreements that govern your deposit Account apply to all transactions initiated with a Card.

10. SPECIAL PROVISIONS APPLICABLE TO BUSINESS ACCOUNTS AND TRUST ACCOUNTS

This Section applies to Accounts established by Companies, trusts and all other non-consumer customers.

A. Account Documentation

For any Account in the name of a Company, trust or other non-consumer customer, we require a designation of Authorized Signers in a form satisfactory to us. We will honor such designation according to its terms until we receive written notice that it is amended or terminated and we have a reasonable opportunity to act. You agree to notify us in writing in advance of any changes in ownership or Authorized Signers. If Checks or other Items are presented before we receive all necessary designations, we may refuse to pay the Checks or other Items (even if funds exist in the Account), and you agree to release, indemnify and hold us harmless for any Loss that may result.

B. Special Agreements by Companies, Trusts and Non-Consumer Customers

1. Companies and Non-Consumer Customers other than Sole Proprietorships and Trusts.

If you are a Company or non-consumer customer other than a sole proprietorship or trust, you agree that the Account is payable only to or on the order of the Company or other non-consumer customer, and not to any individual director, officer, shareholder, partner, member or manager thereof (except as such person or entity may be a payee on a Check or other Item drawn on the Account). You further represent and warrant that the Company or other non-consumer customer has taken all action necessary to open and maintain Accounts with us and that any certificates, resolutions, designations of authorized representatives, or other legal documentation filed with us in connection with the Account are true, accurate and complete, and will be kept up to date. For any transaction involving the Account, we may act upon the instructions of any Authorized Signer. You agree that we are authorized to honor transactions based on the current legal documentation we have on file until you provide us with new legal documentation acceptable to us and we have had a reasonable opportunity to act.

2. Sole Proprietorship Accounts. If you are a sole proprietor, you agree that upon your death, your estate shall release, indemnify and hold us harmless for any payment made at the direction of an attorney-in-fact, agent or Authorized Signer on your Account, unless we have not received actual notice of your death and had a reasonable opportunity to act on such notice. If you are doing business under an assumed name, you represent and warrant that you have properly filed all assumed name certificates or other documents and taken all other action required by Applicable Law in connection therewith.

3. Accounts for Trusts and Fiduciaries.

- a) Representations and Warranties by Fiduciary.** If you are a trustee or other fiduciary, you represent and warrant that: (i) you are a duly appointed and acting fiduciary; (ii) you have full power and authority to make this Agreement (including all requisite authorizations, waivers and consents) and to take all actions provided for in this Agreement with respect to the Account; (iii) the terms of this Agreement do not violate any provision of any statute, governing instrument, court order or other document governing your authorities and actions; and (iv) if the Account is for a trust, the trust is a domestic United States trust. You will notify us in writing when there is any change to your powers and authorities. You agree that we are authorized to honor transactions based on the current legal documentation we have on file until you provide us with new legal documentation acceptable to us and we have had a reasonable opportunity to act. We have no duty or obligation to verify or update any of your powers and authorities or to receive copies of any statute, governing instrument, court order or other documentation evidencing such powers and authorities. References to a trustee or other fiduciary in this Agreement are to the trustee or fiduciary from time to time acting on the Account.
- b) Delegation of Your Authorities to an Agent.** If permitted by the statute, governing instrument, court order or other document granting your powers and authorities, you may delegate your powers and authorities to a third party acting as your agent, provided that we may limit the powers and authorities you may delegate to an agent and we may limit you to only one agent whose appointment must be joined by all the fiduciary Account Owners, if a joint Account. Any such delegation must be in a form satisfactory to us, provide for you to release, indemnify and hold us harmless from and against any actions we have taken or your agent has taken regarding your Account, and be evidenced on our records.
- c) Limitations on Our Liabilities and Your Indemnification of Us.** We reserve the right to require such documents or authorizations as we deem reasonably necessary to satisfy us that the person requesting or directing withdrawal of funds held in the Account has such authority. You agree to indemnify and hold us harmless for refusing to pay or release funds when the refusal is based on the failure of the person requesting or directing the withdrawal of funds to provide documents or authorizations requested by us. We have no obligation to in any way advise you as to any legal, regulatory, or other fiduciary obligations you may have and we will not monitor in any way your exercise of fiduciary powers and duties. We are not responsible for, and do not have any obligation with respect to, the application of any assets held in the Account or withdrawn from the Account. We are not responsible for providing periodic statements or annual summaries to any person other than you, including any person holding a beneficial interest in the Account, or to any auditor or court or government agency, nor will we provide additional information in the periodic statements that you may be required to provide under state law or court order to persons holding beneficial interests in the Account, or to any auditor or court or government agency. You agree to indemnify and hold us harmless from and against any loss, liability, penalty, damage, cost or expense incurred in connection with this Agreement or the performance of our duties under this Agreement, including, for example, as a result of (i) any representations and warranties made by you in this Agreement or in any documentation provided to us by you that is either incorrect or incomplete, (ii) any direction given by you or your agent to us for payment or otherwise, or (iii) any participation by us in any breach of fiduciary duty by you or your agent. You agree to pay the expenses, including reasonable attorneys' fees, and costs of enforcing this right of indemnification.

III. OVERDRAFT FUNDING AGREEMENT FOR PERSONAL ACCOUNTS, EFFECTIVE OCTOBER 6, 2012

This Overdraft Funding Agreement for Personal Accounts describes the terms and conditions of the agreement between us and you with respect to Overdraft Funding. Overdraft Funding is a service which links one or more of your Accounts with us to your Checking Account with us and may automatically transfer funds from a linked Account to your Checking Account in the event an Item would overdraw your Checking Account. This Overdraft Funding service is only available to customers with eligible personal Accounts. Overdraft Funding is not available on HSAs. This Overdraft Funding Agreement for Personal Accounts does not apply if you have a line of credit (other than a BMO Harris Overdraft Protection Line of Credit) linked to your Checking Account for overdraft protection.

Except for the names of products, services, fees, proper nouns, and terms defined herein, capitalized terms used in this Agreement are defined in the Glossary, which can be found in Section I of this BMO Harris Handbook. The Glossary is incorporated in its entirety into this Overdraft Funding Agreement for Personal Accounts by reference.

Overdraft Funding Authorization

By using your Checking Account, after you have requested and we have added Overdraft Funding to your Account, you are agreeing to pay all amounts owed in connection with this Overdraft Funding Agreement and to abide by its terms. If your Account is a joint Account, each Account Owner is bound by the terms of this Overdraft Funding Agreement for Personal Accounts and is jointly and individually liable for all amounts due under this Overdraft Funding Agreement. To qualify for Overdraft Funding you must have a personal Checking Account and at least one other personal Checking Account or Savings Account with us. You must ask a BMO Harris Banker to add Overdraft Funding to your Account.

Overdraft Funding is a service whereby you authorize us to transfer funds on a Business Day from your Transfer FROM Account to your Transfer TO Account to pay Items that overdraw your Transfer TO Account, as described below.

1. Overdraft Funding Transfers. We will transfer funds as described below and subject to the limitations described in Section 3. In order for us to make a transfer from one of your Transfer FROM Accounts as described below, we may place a temporary hold on funds in that Transfer FROM Account in the amount of each Overdraft Item until the end of the day when we will determine whether the funds are needed to pay the Overdraft Items.

a) Payment of All Overdraft Items. If you have sufficient available funds in your Transfer FROM Account to pay all Overdraft Items and the Overdraft Funding Transfer Fee, we will transfer an amount equal to the Overdraft Items plus the Overdraft Funding Transfer Fee to your Transfer TO Account. If you have sufficient available funds to pay the Overdraft Items, but not the total of the Overdraft Items and the Overdraft Funding Transfer Fee, we will transfer all of the available funds in your Transfer FROM Account which, after payment of the Overdraft Items, may be sufficient to pay only a portion of the Overdraft Funding Transfer Fee. To the extent there are not sufficient available funds in your Transfer FROM Account to cover the entire Overdraft Funding Transfer Fee, the difference will be an Overdraft in your Transfer TO Account.

If you designate both Checking and Savings Accounts as Transfer FROM Accounts, we will review all of the Checking Accounts in the order listed in the applicable forms, then we will review all of the Savings Accounts in the order listed in the applicable forms for sufficient available funds to pay the Overdraft Items. We will only transfer funds from one Transfer

FROM Account at the end of each Business Day, and we will not aggregate available funds from multiple Transfer FROM Accounts to make a transfer.

b) Payment of Individual Items. If you do not have sufficient available funds in any Transfer FROM Account to pay all Overdraft Items and your first Transfer FROM Account has sufficient available funds to pay individual Overdraft Items, we will transfer funds from that Transfer FROM Account to your Transfer TO Account in the amount of the individual Overdraft Items that the Transfer FROM Account has sufficient funds to pay. We will also transfer to the Transfer TO Account any available funds to pay the Overdraft Funding Transfer Fee even if there are not sufficient available funds in the Transfer FROM Account to pay the entire amount of the Overdraft Funding Transfer Fee. To the extent there are not sufficient available funds in your Transfer FROM Account to cover the entire Overdraft Funding Transfer Fee, the difference will be an Overdraft in your Transfer TO Account.

Your first Transfer FROM Account is the first Checking Account listed in the applicable forms. If you only designate Savings Accounts as Transfer FROM Accounts, your first Transfer FROM Account is the first Savings Account listed in the applicable forms. We will review the Overdraft Items according to the posting order described in the Deposit Account Agreement for Personal and Business Accounts to determine if the Transfer FROM Account has sufficient available funds to pay an Overdraft Item. We will not review any additional Transfer FROM Accounts to determine if there are sufficient available funds to pay individual Overdraft Items.

If you do not have sufficient available funds in your Transfer FROM Account to pay an Overdraft Item and either:

- You have a BMO Harris Overdraft Protection Line of Credit linked to the Transfer TO Account, the Overdraft Item will be processed in accordance with your BMO Harris Overdraft Protection Line of Credit Agreement; or
- You do not have a BMO Harris Overdraft Protection Line of Credit linked to the Transfer TO Account, the Overdraft Item will be processed in accordance with the Overdraft Program described in the Deposit Account Agreement.

2. Fees. A single Overdraft Funding Transfer Fee will be charged to your Transfer TO Account each day a transfer is made from your Transfer FROM Account to your Transfer TO Account. If we do not transfer funds to pay the entire Overdraft Funding Transfer Fee, the Transfer TO Account may become overdrawn and subject to a Consecutive Day Overdraft Fee as described in the Deposit Account Agreement. The Consecutive Day Overdraft Fee will not apply if the only transaction causing the Overdraft of your Transfer TO Account is an ATM or everyday (non-recurring, single) debit Card transaction and you have not authorized us to use our discretion to pay these types of transactions.

Other fees and charges related to Overdrafts and Overdraft Items may apply, including, for example, Item Returned Fees, Overdraft Fees, and Consecutive Day Overdraft Fees, as described in the Deposit Account Agreement. You may incur multiple fees for the same Overdraft if the Overdraft is caused by a Check, automatic bill payment or other transaction made using your Checking Account number, or an ATM or everyday debit Card transaction if you have authorized us to use our discretion to pay ATM and everyday debit Card transactions that overdraw your Transfer TO Account.

3. Transfer Limits. The following transfer limits apply to your Overdraft Funding service if your Transfer FROM Account is a money market Savings, money market Checking or other Savings Account. Both limits apply.

- a) Federal regulation limits the total number of transfers (including, but not limited to Checks, POS and electronic payments) from your Transfer FROM Account to a combined total of six (6) transfers during any month or monthly statement period. If the total number of transfers from your Transfer FROM Account is reached during any month or monthly statement period, no other transfers will be made for the statement period, including transfers to the Transfer TO Account, even if there are sufficient available funds in the Transfer FROM Account.
- b) We will limit the total amount of funds transferred from your Transfer FROM Account on any one Business Day so that not more than a combined total of six (6) Overdraft Items will be paid on your Transfer TO Account with transferred funds even if there are sufficient available funds in the Transfer FROM Account to pay additional Overdraft Items or an Overdraft Funding Transfer Fee. This daily limit will be reduced by the number of transfers from your Transfer FROM Account that have occurred during the month or monthly statement period and are limited by federal regulation, as described in the preceding paragraph.

IV. OVERDRAFT FUNDING AGREEMENT FOR BUSINESS ACCOUNTS, EFFECTIVE OCTOBER 6, 2012

This Overdraft Funding Agreement for Business Accounts describes the terms and conditions of the agreement between us and you with respect to Overdraft Funding. Overdraft Funding is a service which links one or more of your Accounts with us to your Checking Account with us and may automatically transfer funds from a linked Account to your Checking Account in the event an Item would overdraw your Checking Account. This Overdraft Funding service is only available to customers with eligible business Accounts. This Overdraft Funding service is not available for IOLTAs, IBRETAs and personal Accounts. This Overdraft Funding Agreement for Business Accounts does not apply if you have a line of credit (other than a BMO Harris Overdraft Protection Line of Credit) linked to your Checking Account for overdraft protection.

Except for the names of products, services, fees, proper nouns, and terms defined herein, capitalized terms used in this Agreement are defined in the Glossary, which can be found in Section I of this BMO Harris Handbook. The Glossary is incorporated in its entirety into this Overdraft Funding Agreement for Business Accounts by reference.

Overdraft Funding Authorization

By using your Checking Account, after you have requested and we have added Overdraft Funding to your Account, you are agreeing to pay all amounts owed in connection with this Overdraft Funding Agreement and to abide by its terms. To qualify for Overdraft Funding you must have a business Checking Account and at least one other business Checking Account or business Savings Account with us. You must ask a BMO Harris Banker to add Overdraft Funding to the Account.

Overdraft Funding is a service whereby you authorize us to transfer funds on a Business Day from your Transfer FROM Account to your Transfer TO Account to pay Items that overdraw your Transfer TO Account, as described below.

1. Overdraft Funding Transfers. We will transfer funds as described below and subject to the limitations described in Section 3. In order for us to make a transfer from one of your Transfer FROM Accounts as described below, we may place a temporary hold on funds in that Transfer FROM Account in the amount of each Overdraft Item until the end of the day when we will determine whether the funds are needed to pay the Overdraft Items.

a) Payment of All Overdraft Items. If you have sufficient available funds in your Transfer FROM Account to pay all Overdraft Items and the Overdraft Funding Transfer Fee, we will transfer an amount equal to the Overdraft Items plus the Overdraft Funding Transfer Fee to your Transfer TO Account. If you have sufficient available funds to pay the Overdraft Items, but not the total of the Overdraft Items and the Overdraft Funding Transfer Fee, we will transfer all of the available funds in your Transfer FROM Account which, after payment of the Overdraft Items, may be sufficient to pay only a portion of the Overdraft Funding Transfer Fee. To the extent there are not sufficient available funds in your Transfer FROM Account to cover the entire Overdraft Funding Transfer Fee, the difference will be an Overdraft in your Transfer TO Account.

If you designate both Checking and Savings Accounts as Transfer FROM Accounts, we will review all of the Checking Accounts in the order listed in the applicable forms, then we will review all of the Savings Accounts in the order listed in the applicable forms for sufficient available funds to pay the Overdraft Items. We will only transfer funds from one Transfer

FROM Account at the end of each Business Day, and we will not aggregate available funds from multiple Transfer FROM Accounts to make a transfer.

b) Payment of Individual Items. If you do not have sufficient available funds in any Transfer FROM Account to pay all Overdraft Items and your first Transfer FROM Account has sufficient available funds to pay individual Overdraft Items, we will transfer funds from that Transfer FROM Account to your Transfer TO Account in the amount of the individual Overdraft Items that the Transfer FROM Account has sufficient funds to pay. We will also transfer to the Transfer TO Account any available funds to pay the Overdraft Funding Transfer Fee even if there are not sufficient available funds in the Transfer FROM Account to pay the entire amount of the Overdraft Funding Transfer Fee. To the extent there are not sufficient available funds in your Transfer FROM Account to cover the entire Overdraft Funding Transfer Fee, the difference will be an Overdraft in your Transfer TO Account.

Your first Transfer FROM Account is the first Checking Account listed in the applicable forms. If you only designate Savings Accounts as Transfer FROM Accounts, your first Transfer FROM Account is the first Savings Account listed in the applicable forms. We will review the Overdraft Items according to the posting order described in the Deposit Account Agreement for Personal and Business Accounts to determine if the Transfer FROM Account has sufficient available funds to pay an Overdraft Item. We will not review any additional Transfer FROM Accounts to determine if there are sufficient available funds to pay individual Overdraft Items.

If you do not have sufficient available funds in your Transfer FROM Account to pay an Overdraft Item and either:

1. You have a BMO Harris Overdraft Protection Line of Credit linked to the Transfer TO Account, the Overdraft Item will be processed in accordance with your BMO Harris Overdraft Protection Line of Credit Agreement; or
2. You do not have a BMO Harris Overdraft Protection Line of Credit linked to the Transfer TO Account, the Overdraft Item will be processed as follows:

If the Overdraft Item is a Check, automatic bill payment, or other transaction made using the Transfer TO Account number, we will use our discretion to either pay or return the Overdraft Item and you will be charged either an Overdraft Fee or Item Returned Fee and, if applicable, Consecutive Day Overdraft Fees as disclosed in the BMO Harris Bank Business Service Fee Schedule.

If the Overdraft Item is an ATM or everyday debit Card transaction, we will use our discretion to either pay or decline the Overdraft Item. If we pay the Overdraft Item, an Overdraft Fee and, if applicable, Consecutive Day Overdraft Fees will apply as disclosed in the BMO Harris Bank Business Service Fee Schedule. If we decline the Overdraft Item, no fees will be incurred.

2. **Fees.** A single Overdraft Funding Transfer Fee will be charged to your Transfer TO Account each day a transfer is made from your Transfer FROM Account to your Transfer TO Account. If we do not transfer funds to pay the entire Overdraft Funding Transfer Fee, the Transfer TO Account may become overdrawn and subject to a Consecutive Day Overdraft Fee as described in the Deposit Account Agreement.

Other fees and charges related to Overdrafts and Overdraft Items may apply, including, for example, Item Returned Fees, Overdraft Fees, and Consecutive Day Overdraft Fees, as described in the Deposit Account Agreement. You may incur multiple fees for the same Overdraft if the Overdraft is caused by

a Check, automatic bill payments or other transaction made using your Checking Account number, or an ATM or everyday debit Card transaction.

3. Transfer Limits. The following transfer limits apply to your Overdraft Funding service if your Transfer FROM Account is a money market Savings, money market Checking or other Savings Account. Both limits apply.

- a) Federal regulation limits the total number of transfers (including, but not limited to Checks, POS, and electronic payments) from your Transfer FROM Account to a combined total of six (6) transfers during any month or monthly statement period. If the total number of transfers from your Transfer FROM Account is reached during any month or monthly statement period, no other transfers will be made for the statement period, including transfers to the Transfer TO Account, even if there are sufficient available funds in the Transfer FROM Account.
- b) We will limit the total amount of funds transferred from your Transfer FROM Account on any one Business Day so that not more than a combined total of six (6) Overdraft Items will be paid on your Transfer TO Account with transferred funds even if there are sufficient available funds in the Transfer FROM Account to pay additional Overdraft Items or an Overdraft Funding Transfer Fee. This daily limit will be reduced by the number of transfers from your Transfer FROM Account that have occurred during the month or monthly statement period and are limited by federal regulation, as described in the preceding paragraph.

V. SAFE DEPOSIT BOX AGREEMENT, EFFECTIVE OCTOBER 6, 2012 (FOR BMO HARRIS SAFE DEPOSIT BOXES OPENED AFTER OCTOBER 5, 2012)

You must separately authorize safe deposit box services by completing and signing our Safe Deposit Box Authorization Form. See a BMO Harris Banker for details.

Safe Deposit Box Agreement

The following Safe Deposit Box Agreement (“Contract”) is the agreement that governs the safe deposit box services we provide you for Boxes opened after October 5, 2012. Except for the names of products, services, fees, proper nouns, and terms defined herein, capitalized terms used in this Agreement are defined in the Glossary, which can be found in Section I of this BMO Harris Handbook. The Glossary is incorporated in its entirety into this Safe Deposit Box Agreement by reference.

1. The term of this Contract shall be for one (1) year from the date of entering into the Contract and shall *automatically renew from year to year unless terminated by you upon not less than thirty (30) days’ notice prior to the expiration of the then current term or unless terminated by us as otherwise provided in this Contract.* You agree to use the Box on the following conditions: that (a) you shall pay the rental amount due annually in advance at the rate established from time to time by us; (b) you shall pay all taxes assessed upon us by any local, state, or federal agency or taxing authority arising from or pertaining to this Contract; and (c) you shall otherwise comply with all terms and conditions of this Contract. If at any time you do not comply with the above conditions, we may: (a) terminate your right to access or use the Box; and (b) exercise our rights hereunder or such rights as are otherwise available to us at law or in equity.
2. Any Signer may have access to the Box, except as otherwise provided below or by law. Access to the Box shall be permitted only during the regular business hours of our Safe Deposit Department subject to space, security and other conditions as determined by us, in our discretion.
3. We are not a bailee with respect to the Box or its contents, shall remain ignorant of its contents, and shall not be liable for any Loss of or damage to the contents of the Box, provided we have used ordinary care in preventing access to the Box by an unauthorized person. We do not represent the Box to be fire, water, or burglar proof. You are solely responsible for maintaining any insurance coverage you deem necessary to cover the contents of the Box, if desired. You agree to keep money, jewelry and other untraceable items in the Box at your own risk.
4. In addition to the requirements regarding access to the Box, upon termination provided in Paragraph 6 below, you shall pay us, in advance, for the cost of replacing lost, misplaced, or damaged keys and for the cost of any forcible entry into the Box made necessary due to loss or damage of the keys, and for any other costs, including reasonable attorneys’ fees, incurred by us in connection with this Contract. You shall be jointly and severally liable for any rental payments. You and each Signer are subject to all of the provisions of this Contract. In the event of the death of any person named as an owner on the Box, surviving owners and Signers shall immediately notify us of such death before seeking further access, and we may thereafter refuse access to the Box for any reason including, for example, requirements of Applicable Law.
5. You and each Signer shall have access to said Box and may place property therein or remove all or any portion of its contents. You shall have the right to surrender the Box and terminate the right of access of all persons entitled thereto. Any such action or any other instruction given to us by you shall be binding upon all persons entitled by law to access. Such powers shall remain effective even upon the death or disability of any such person until we receive notice of the

death or disability and have a reasonable time to act, subject to the provisions and limitations contained in Paragraph 4 above.

6. We may at any time and for any reason upon notice to you terminate this Contract or terminate your right of use and possession of the Box, and you shall promptly cause all contents of the Box to be removed, surrender all keys to us and shall execute such release agreements as we shall then require. If you fail to comply with the foregoing covenants, or requirements as otherwise provided in any termination notice, within thirty (30) days of us providing notice or within the time provided in the notice, we may gain access to the Box and its contents by whatever means we select, including the hiring of a locksmith or other person to force the opening of the Box and the replacement of locks and keys, and we may impound and store the contents in whatever manner and location we choose. You shall promptly pay to us all costs and expenses incurred by us in connection with such surrender, forcible opening of the Box, replacement of locks and keys and securing and storing the contents. We are hereby authorized to deduct the amount of all such costs and expenses and any other rental or other amounts due us hereunder from any of your Accounts or from any rebate of rental due you and with respect to the contents, in any manner we choose, to sell, escheat, dispose of or destroy the contents, subject to Applicable Law.
7. You shall not assign or sublet the Box or any right of access or use thereof. You shall not place in the Box any liquid, volatile or perishable substance, explosive device, guns or ammunition or any dangerous or offensive material that may harm or potentially harm or offend the property, interest, health or sensibilities of the Bank, its officers and employees, or any other guest or invitee of the Bank. You shall not place in the Box or possess within any premises of the Bank, any substance or device, the possession or use of which would violate any law or regulation. Access to, and use of, the Box are and shall be subject to the rules and procedures established from time to time by us, and to all Applicable Laws regarding the letting and/or renting of safe deposit boxes. We will not retain a copy of the keys to the Box provided to you. You agree to use the highest degree of care to keep all keys out of the possession of unauthorized persons and shall immediately notify us of the loss or theft of any key. Upon such notice, we may replace all locks and keys to the Box or assign a different safe deposit box to you, all at your expense.
8. We shall have the right to change the terms of this Contract for any reason, and in any respect, by adding, deleting or modifying any provision or terminate the Contract. We can add a new provision without regard to whether the provision deals with a matter already addressed by this Contract. We will provide written notice to you of any change or termination as provided in Paragraph 12 below. Such changes, including termination, shall be effective and binding upon you as of the effective date in the notice. Continued use or rental of the Box after we provide the notice shall constitute your acceptance of all changes described in the notice.
9. We have the right, without prior notice, to change the location of the Box or substitute a Box of like size and rental expense and in doing so shall not incur liability to you. In the event the Box is relocated to another location, the rights and obligations of you and us hereunder shall remain in effect.
10. You hereby defend, indemnify, release and hold us harmless from and against all Losses, in connection with the rental of the Box (including those arising from assessment of taxes as provided in Paragraph 1 above), any access thereto as authorized by this Contract, the removal of or damage to the contents of the Box, and any conflicting claim to the Box or its contents, or any portion thereof. In the event of any act or statement by you, any legal or administrative process, or adverse claim by any person which in our opinion affects or may affect any of our rights or liabilities, we may, at our option, and without incurring liability therefor, suspend all rights of

access to the Box until such claim, process or alleged rights have been resolved or disposed of to our satisfaction. Nothing in this Contract shall prohibit us from instituting proceedings to relieve the Bank of liability or responsibility for the contents of the Box, or any Loss thereto, and we may dispose of or relinquish the contents in any manner consistent with such proceedings and as provided in this Contract, all at your sole cost and expense.

11. In the event you are a corporation, partnership, unincorporated association, trust or other organization, all of the duties, statements, conditions, restrictions and acts herein applicable to you shall fully apply to all of your directors, officers, employees, partners, members, trustees, agents, deputies, fiduciaries, and other representatives who are or shall become entitled to gain access to the Box. All such entitled persons hereby represent and warrant to us that you are lawfully empowered to enter into this Contract and that the signatures on file with us are genuine signatures of all persons duly authorized to execute this Contract and to gain access to the Box for and on your behalf. We may act without further inquiry upon the written instructions of the authorized signers hereunder until officially notified otherwise by you.
12. All notices required to be given hereunder shall be in writing and if notice is provided to you, notice may be, at our discretion, posted in our branches or served either in person or by mail, postage prepaid, mailed to your last known address as shown on our records or to us at the address of the branch at which the Box is located. This Contract shall be binding upon and inure to the benefit of the successors, assigns and personal representatives of the parties. For purposes of this Contract, wherever appropriate, the use of any gender shall include any and all other genders, and all references to the singular number include the plural and the plural number includes the singular. Any waiver by us of any right or condition hereunder shall not constitute a waiver of our rights to assert any such right or condition thereafter. This Contract shall be governed by Applicable Law.
